

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

After looking over Gov. Smith's budget message to the Texas Legislature, I am convinced of one thing—whatever the outcome of the stock scandal sweeping the state, the Governor didn't mastermind it. He's not that smart!

Anyone naive enough to submit a budget not calling for any new taxes based on the assumption that the Federal Government will take over all the costs of the welfare program and that the voters would approve a \$450 million bond issue to spread the cost of operating our schools for the next two years over a 15- to 25-year period couldn't conceive of a money making plan as slick as this one apparently was.

Two years ago he vetoed a plan to put off a tax increase for one year and now he wants us to buy a plan that would put off paying our bills for 15 to 25 years. But then he won't be Governor—we hope!

With the costs of state government increasing every year you can only wonder what the Governor plans to do about the tax bill for 1973 and 1975, put them off 50 and 75 years?

What it amounts to is the Governor is just passing the buck off on the Legislature to solve our budget problems and then he can sit back and say it wasn't his fault we have to pay more taxes. We should be able to expect more than this from our Governor.

Have you been out to the new airport yet? If not we would suggest that it would be worth your time to drive out there sometime. The lights have been installed now and Hamlin Flying Service has their hanger finished and everything is in operation and it appears to us to be a real first class layout—one we can all be proud of.

Rather surprising, we understand that an average of seven or eight planes a day have been using the field since it has been in operation.

We received a rather interesting news release from the Jones County Home Demonstration Agent, Mrs. Mary Y. Newberry, that you housewives might be interested in.

Mrs. Newberry claims, "We're paying more and more at the supermarket just for the privilege of carrying home plain, ordinary water."

Soup manufacturers have realized that consumers will pay a good price for water, so they're adding it at the plant, the agent explains. By advertising "honest, old-fashioned soup," they can get the public to pay two to three times the single serving price of condensed soups.

A recent survey taken in Washington, D. C. shows that soups with water added cost about 12.5 cents per serving, while condensed soups cost about 4.2 cents for the same serving.

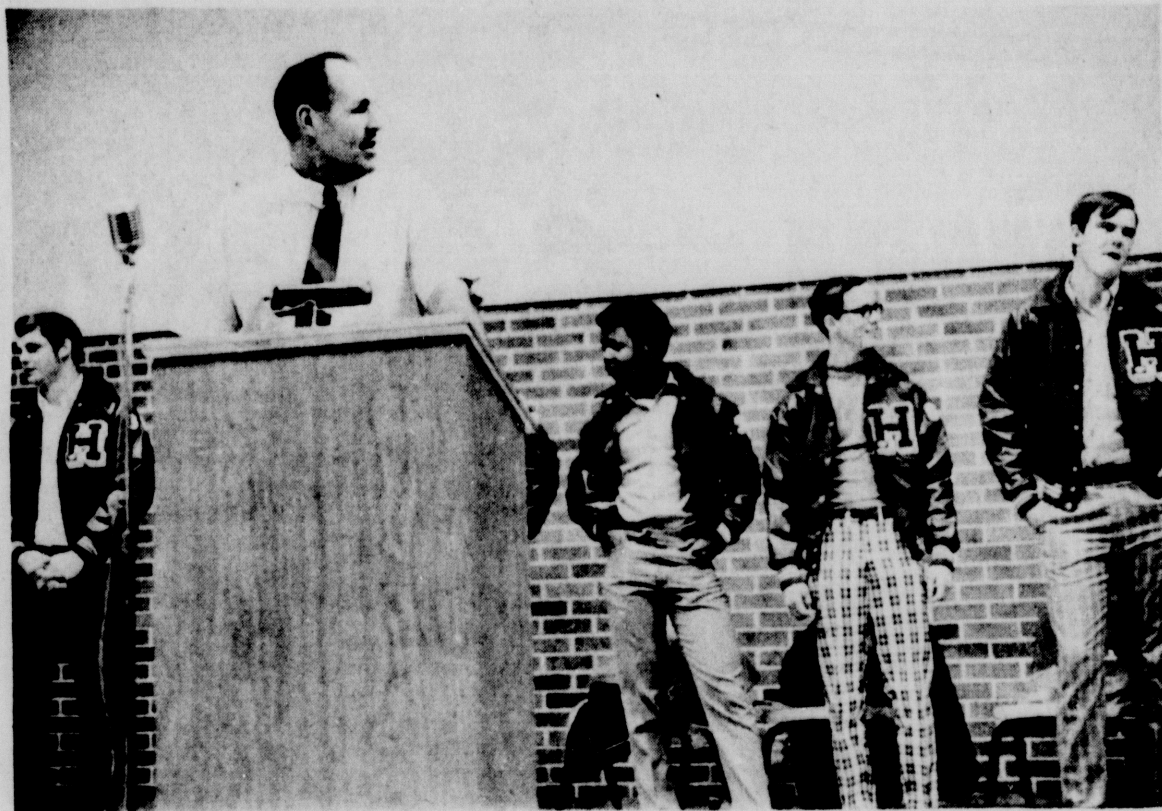

There are other products in which we pay for water, Mrs. Newberry adds. Some puddings and whipped toppings come ready-to-eat. Fruit drinks often containing only 6 percent actual fruit are made up mostly of water.

"Just think how much we've spent on bottle drinks and the energy exerted bottling home all those bottles of water," she points out.

But convenience can't be ruled out. When we're in a hurry or unable to make the product ourselves, convenience foods come in handy. Products such as ready-to-eat puddings and toppings save cooking and cleaning equipment. And some take the guesswork out of cooking.

Soups and soft drinks, however, are another story. A can of soup still needs to be opened and the contents heated in a pan. Do you consider it much work to add water?

The next time you feel the cost of living tugging at your pocketbook, stop and think. Is it worth the extra cost to have someone else turn on the faucet?

AT SPECIAL ASSEMBLY—Deane Wright, director of athletics for Hamlin Schools, presented football jackets to first year lettermen during an assembly last Wednesday. Others who had received jackets previously received only letters from the school and picked up the jackets they had purchased. On stage are, from left, Barry McDonald, James Mayes, Steve Baker and Daily Ponder. (Photo by Tim Jones)

Football Jackets, Letters Presented Here Wednesday

Boys who lettered in football this season received jackets and letters during a special assembly last Wednesday.

Deane Wright, athletic director, presented jackets to the following boys: Fernando Rangel, Daily Ponder, Gene Stovall, Rosendo Morales and Doug Elliott, all seniors;

Milton Jones, sophomore; Barry McDonald, Ricky Rodgers, Jackie Warner, Mike Donham, Steve Baker and Dwayne Hertel, all juniors. Johnny Cork received a manager's award.

Boys who had previously received a football jacket, band jacket or manager's jacket received only letters and purchased their own jackets. This is in accordance to a ruling by the University Interscholastic League that a student is allowed to receive only one jacket from the school.

Those who had previously received jackets received letters with stripes to represent more than one year that they had lettered in football. These were Duane Stewart, 3; Charlie Sellers, 3; Steve Smith, 2; Darrell Craig, 2; Steve Teichelman, 2; Greg Perrin, 2; Edward Johnson, 2; and Alcario Mendoza, all seniors; and James Mayes, a junior.

BCD Names Scarborough President

The board of directors of the Hamlin Board of Community Development elected John Scarborough to serve as president of the organization for the coming year. The board took this action at their regular monthly meeting at noon Thursday.

Elected to serve with Scarborough were: Jack Willingham, first vice president; Raymond Scifres, second vice president; and Donald Young, treasurer.

The new officers will take over their duties following the annual banquet to be held in the high school cafeteria Mar. 5.

Barry Moore, BCD president, presided at the meeting.

Annual School Census Now Being Taken By District

The annual school census is now being taken by the Hamlin Public Schools, according to Supt. C. F. Cook. In announcing the census Supt. Cook said that there is a change this year in that only children that will be 5, 6 or 7 are to be counted.

In the past all children between the ages of 6 and 17 years of age on or before Sept. 1, would be listed on the census but the state no longer requires a yearly census.

Therefore, Supt. Cook stated, we are requesting only children that will be 5, 6 or 7 years old on or before Sept. 1, 1971, be counted. He said, "This is very important as we need to know how many children we will have to enter school next September; also, the number to be in our kindergarten program."

Forms will be sent out during the months of January and February and parents or guardians of children born after Sept. 1, 1964, and before Sept. 1, 1966, are asked to sign a census blank.

Supt. Cook added, "If you have children in this age group or if your neighbor or friend has a child, help us secure their name and birthday."

Southwestern Bell Shows Increase In Phones In Hamlin

The number of telephones in Hamlin increased to 2,145 during 1970, according to Bud McCasland, manager for Southwestern Bell Telephone Company.

He said this compares with 2,095 telephones in Hamlin at the end of 1969. A total of 490 telephones have been added here since 1960, an increase of 29 per cent. A three-year forecast indicates there will be 2,820 telephones here at the end of 1974.

"Hamlin residents were talkative last year, too," McCasland noted. "They dialed 7,054 calls on an average business day during November."

McCasland said a record \$114.1 million construction budget has been set by Southwestern Bell for its San Antonio Area, of which Hamlin is a part. The area covers roughly the western half of Texas. The money will be spent for central office equipment, buildings, and outside plant such as cable installation.

Letter to Editor—

Rep. Calhoun Urges Voter Registration

Newspaper accounts and other news media accounts of voter registration in our county indicates that, as usual, voter registration is lagging as the deadline of January 31 nears. It is human nature to put off until the last minute things such as voter registration but many people are probably thinking that this is an "off" election and therefore not worthy of registration. Nothing could be further from the truth.

As this regular session of the 62nd Legislature gets under way in Austin, it is becoming increasingly apparent that there will probably be a special constitutional amendment election in the spring of this year. This, plus the city elections in the various cities in the county, certainly makes it worth while to register to vote.

Welfare needs are greatly in excess of the \$80,000,000 maximum constitutional limit and there will probably be a constitutional amendment presented to the people for their action to raise or remove this ceiling. We will probably also see a constitutional amendment proposed to increase the size of the Texas Senate from 31 to 39 members, and a proposal to adopt the so called "Cavness Plan" which would enable the available school fund in the state of Texas to use a portion of those funds going into

the permanent school fund from oil and gas leases and royalties.

I hope that the people will realize that this is a very important election year and register in great numbers prior to the January 31 deadline.

Sincerely,
Frank Calhoun

Visiting from Sunday through Tuesday in the home of Mrs. F. M. Crow was Mrs. Doby Johnson of Odessa.

Pipers In Second Place As They Start Second Round

The Pied Pipers used a stall to break up a tight zone defense to defeat the Haskell Indians Friday evening in Haskell, 47-43, to hold on to the second place spot in District 7-AA. At the end

of the first half of round robin play the Merkel Badgers are in first place with a 5-0 record, followed by the Pipers with a 4-1 record. Friday evening the Pipers will host the Stamford Bulls.

dogs here with the B game starting at 5. On Tuesday the Hamlin teams will travel to Rotan to meet the Yellowhammers.

Leonard Johnson led the Piper scoring against Haskell with 18 points. Also in double figures were Shelton Marshall with 14 and Ricky Rodgers with 10.

The Haskell girls defeated the Piperettes, 45-31, with Debbie Hardaway scoring 25 points. The Piperettes are now 2-4 in district play.

The Hamlin Junior Varsity rolled over the Haskell JV's 61-37.

Tickets Available Here—

'Rehab '71' Television Benefit Set for Saturday

While stars of the "Rehab '71" television benefit, to be staged by the West Texas Rehabilitation Center here Saturday, vary in their talents from the screen to the

Tickets for the show to originate from Moody Coliseum on the campus of Abilene Christian College are \$2.00. The show begins at 7:15 p.m.

Tickets are available locally from Feagan Oil Company and at the Hamlin Herald.

rodeo arena to the football field, they all have one thing in common—providing the Center's operating budget for

1971.

The six and one-half hour color-cast, to be presented over television KRBC in Abilene, KACB in San Angelo, KMD in Midland, and KWSO in Lawton, Oklahoma, will kick off the Center's 1971 public education and fund raising program.

Featured on the program will be Rex Allen, a longtime friend of the Center; Rosemary Clooney, million-record selling singer; Slim Pickens, noted screen and television actor—comedian; and Pedro Gonzalez-Gonzalez, zany comedy character actor in both television and the movies.

Reps. Jones, Calhoun Get Top Posts On Committees

AUSTIN — Texas House Speaker Gus F. Mutscher today announced the appointment of both State Representatives from Jones and Taylor Counties to chairmanships of House Committees for the 62nd Legislative Session.

Mutscher appointed Grant Jones as Chairman of the Urban Affairs Committee and Frank Calhoun as Chairman of the Criminal Jurisprudence Committee.

The Speaker said the ten years of combined legislative experience for the two "provides a sound basis of leadership to deal with legislation studied by their Committees."

Jones' Urban Affairs Committee has jurisdiction over all matters relating to the cities and towns of Texas.

The Criminal Jurisprudence Committee, chaired by Calhoun, considers matters relating to criminal law in Texas. During the current session this Committee will be involved with a proposed complete revision of the Texas Penal Code.

"The appointment of Representative Jones and Calhoun to positions on these vital Committees is an indication of the importance of the Jones-Taylor delegation in the Texas House," Mutscher said.

The terms of Jackie Williams and Raymond Scifres will expire at that time. Neither has indicated at this time whether they would seek re-election.

Anyone living within the Hamlin Independent School District who desires to have their name placed on the ballot for the three-year term of trustee must make application in writing and sign a Loyalty Oath. Mrs. J. O. Murphree, secretary to the superintendent, will furnish the necessary forms.

The board appointed he following to hold the election: A. B. Carlton, election judge; Mrs. Arlie Cassle and Mrs. A. B. Carlton, clerks; and Mrs. Murphree, absentee clerk.

The Hamlin Board of Education has called a trustee election for April 3, 1971, in the high school lobby. Two trustees will be elected.

The terms of Jackie Williams and Raymond Scifres will expire at that time. Neither has indicated at this time whether they would seek re-election.

Junior High Cagers To Play At Stamford Tonight

The three Hamlin Junior High teams will travel to Stamford tonight (Thursday) to play the Stamford teams and then will travel to Haskell Monday. The games with Stamford will complete the first round of play for the Junior High District.

Last Thursday the eighth grade boys and girls defeated Anson, with the seventh grade boys dropping their first game of the season, 35-27. Gary Don Mayes was high for the seventh grade with 9, followed by Alan Steele with 7.

Kimi Mehaffey lead the girls with 9 points as they won over Anson, 22-20. The eighth grade boys defeated Anson, 36-31, with Johnny Jones scoring 25 points.

Monday night the two boys teams defeated Rotan, with the girls dropping their game to the Rotan girls. Gerald Rodgers scored 7 points to lead the seventh graders as they won 24-15.

The girls were defeated by one point as they lost, 15-14, with Elberta Cork scoring 8 points. Jones lead the eighth grade boys scoring with 22 points as they won over Rotan, 32-25.

Youth Group Sets Dance Saturday

The Hamlin Youth Activities Association will sponsor a dance here Saturday evening beginning at 8:30 p.m. with a live band.

The featured band will be Variety Show. The event will be held in the Jaycee Community Building.

All teenage and college age youth in the surrounding area are invited to attend.

George Howard, Evert Crow and Mrs. Valeta Hartley attended the funeral of their nephew and cousin, Hugh Lawler, in Waurika, Okla., Monday. They spent one night in Terral, Okla., visiting with Mrs. Minnie Vandenburg, sister to Mr. Howard. The group also visited with Mrs. Lou Hayes, another sister to Mr. Howard, who is a resident of Colonial Manor in Wichita Falls.

Up 50% Since '60 —

Inflation Hits School Finances Hard

A look at the financial statements of the Hamlin Independent School District for the past year and the one for ten years ago indicates that schools like everyone else have been hard hit by inflation.

The combined expenditures have increased by 50 percent over the ten-year period with the cost of instruction taking the biggest jump. Where the cost of instruction ten years ago was \$245,141.99 it was \$418,938.55 this past year. The total expenditures ten years ago were \$407,816.80

and were \$620,110.63 this past year.

In order to overcome this increase cost over the ten year period the local taxpayers have assessed an additional \$98,000. Local funds totaled \$232,430.85 ten years ago and were \$330,694.59 this past year.

During this same period money from state sources have increased from \$165,730 to \$283,038.61. Federal aid was not listed in the statement ten years ago and amounted to \$7,382 last year.

Other items listed in the current statement followed

by the amount listed ten years ago are as follows: administration, \$36,618, \$24,150; health service, \$6,283, 2,766; pupil transportation, \$16,070, \$17,408; operation of plant, \$47,510, \$30,009; maintenance of plant, \$4,337, \$9,138; fixed charges, \$5,711, \$3,655; student activities, \$2,159, \$1,146; capital outlay, \$5,008, \$17,280; debt service, \$73,097, \$56,000.

The statements are for the years ended Aug. 31, 1960 and 1970. The current financial statement appears elsewhere in this issue.

Four Books Added To Library Here

Four new books have been added to the collection at Hardin Memorial Library according to Mrs. Donald Young, temporary librarian.

The books purchased include "Love Story" by Erich Segal; "A White House Diary" by Lady Bird Johnson; "Everything You Always Wanted to Know about Sex" by David Reuben, M. D. and "Robert's Rules of Order Newly Revised" by General Henry M. Robert.

Also added were 56 pocket books, nine youth fiction, two adult fiction and a set of children's Golden Book Encyclopedias. These were donated to the library.

The library is open five days a week, from 3 to 5 p.m.

B & P W CLUB MEETS WITH MRS. PAUL GOODGAME TUESDAY

Mrs. Paul Goodgame was hostess for the Tuesday evening business meeting of the Hamlin Business and Professional Women's Club.

Others present were Mmes. E. A. Hewitt, A. J. Winegeart, Audrey Hodnett, E. W. Ueckert, John O'Neal, Othel Sipe, Frank Shearer, Kenneth Riddle, Mac Reid, Luther Haight, Earl Brown, and Miss Viola Avants.

The next meeting will be Feb. 9 in the home of Mrs. I. R. Witt. Mrs. O. H. Weaver will speak on harmful drugs.

Monday, Tuesday, Wednesday and Friday and from 5 to 7 on Thursday.

Debra Scarborough, Richard Vickers United In Marriage

The marriage of Debra Scarborough and Richard Clayton Vickers is announced by her father, John Scarborough. Vows were solemnized Jan. 11 in the home of Rev. Almon Martin, minister of the First Christian Church in Cisco.

Parents of the bridegroom are Mrs. Jim Hanlon of Cisco and Richard Beverly Vickers of Odessa. The bride is the daughter of Mr. Scarborough and the late Mrs. Scarborough.

The bride is a graduate of Hamlin High School and is a sophomore at Cisco Junior College where she is a member of the Wrangler Belles.

Vickers, also a sophomore at CJC, graduated from high school in Cisco and is employed by Fambrough Manufacturing Company. A business administration major, he plans to attend Texas Tech University in Lubbock in the fall.

The couple's new address 1010 W. 14th Street, Cisco.

Mrs. W. J. Stewart Hosts Meeting of Ruth Class Tues.

Mrs. W. J. Stewart was hostess for the Tuesday afternoon meeting of Ruth Sunday School Class of North Central Avenue Baptist Church.

Mrs. Ben Wilcox gave the devotional on the "Seven Wonders of Calvary," Mrs. Eddie B. Hopper led the Bible quiz.

It was reported that a member, Mrs. Sid Clay, was in the hospital.

Secret pal gifts were exchanged.

Mrs. L. H. Clark gave the closing prayer.

Others present were Mmes. N. A. Putnam, Jess Treadwell, Almata Plemons, A. N. King, Jessie Smith, M. L. Haight, G. B. Phillips, and Opal Goodgame.

ANNETTE DUNCAN
... WTU economist

Annette Duncan Named District WTU Economist

Annette Duncan, employed by West Texas Utilities in December, has been transferred from Abilene to Stamford and is now serving as district home economist for West Texas Utilities Company. The addition to the Company's district staff was announced today by District Manager Russell Crowmover of Stamford. Hamlin is included in the Stamford district.

Miss Duncan has been working as a home economist for the past month. She has replaced Mary Caton who resigned several months ago.

Miss Duncan is a 1963 graduate of Mullin High School; attended Angelo State University; and received her B. S. degree in Home Economics from Texas Tech University in August, 1970.

Mr. and Mrs. Bryan Justiss of Sweetwater are parents of a girl, Kimberly Deann born Jan. 22 at 8:50 a.m. in Hamlin Memorial Hospital. She weighed 7 lbs. 6 1/2 oz. Maternal grandparents are Mr. and Mrs. T. A. Douglass of Sylvester. Paternal grandparents are Mr. and Mrs. Clifford Justiss Jr. of Sweetwater.

Woman's Forum Elects Officers

Mrs. John Ferguson Jr. was elected president of the Hamlin Woman's Forum at the meeting held Monday evening in Hardin Memorial Library. She will serve a two-year term with the following officers:

Mrs. Harvey Lawlis, first vice president; Mrs. Bob Craig, second vice president; Mrs. L. O. Hughes, recording secretary; Miss Lennie Greenway, corresponding secretary; Mrs. Kenneth Riddle, treasurer; and Mrs. Ken Prewit, reporter.

The new officers will be installed April 26 at the regular quarterly meeting.

Mrs. R. D. Moore, president, presided during the business session.

Report was made that the executive committee had selected Mr. and Mrs. Ronnie Hellums as new residents of

the living quarters at the library and Mrs. Hellums will be the librarian. The couple will be moving here this week from Andrews. Mr. Hellums is employed by Mac's Food Market.

Mrs. Donald Young, interim librarian, reported that 55 books had been cataloged and put into circulation during December and 15 books were added this month. She also noted that 43 books were checked out in December and 85 books had been checked out through Jan. 25. Four new readers were added in recent weeks, she noted.

Following a tour of the living quarters by the Forum members it was voted to do some repair work before the new occupants moved in. Work on the floor of the southwest bedroom floor and other repairs were authorized.

NEWS FROM ...

Sylvester

By MRS R M BABB

Palm Springs, Calif., doesn't have a thing over our town. We have beautiful spring weather, cool and dry.

Mr. and Mrs. Thurman Douglass are the proud grandparents of a lovely 7 lb. 6 1/2 oz. girl Kimberly Deann Justiss, born last Friday in Hamlin hospital to Mr. and Mrs. Bryan Justiss of Sweetwater.

Mr. and Mrs. Merrell Turner spent several days last week visiting her mother Mrs. Ella Scott and her brother's family the Charles Scotts.

Edgar Smith has returned from Temple with a good report from his doctors. Mr. and Mrs. Arthur Lewis Maberry spent several days recently with their parents, the Melvin Thompsons of Sylvester and the Albert Maberrys of Trent. They have returned to Tarleton College in Stephenville.

Mr. and Mrs. Mike Dobbs are moving back to Big Spring and spent some time with their parents, Mr. and Mrs. Woodrow Lawlis. Also in the home were another daughter and family, the Jimmy Pur-

vises of Eules

The Early children helped their parents, Mr. and Mrs. Cliff Early celebrate their 51st wedding anniversary Sunday afternoon. They have four sons, James of San Angelo, Donnie of Hamlin, Wyman of Roscoe and Glyden of San Angelo. We wish them many, many more happy years.

Mrs. Alma Scott spent some time last week in Hamlin hospital but is home now.

Mrs. Edward Lawlis is spending a few days in Abilene with her daughter, Marie Henley.

The Babb's visited in the Fisher county nursing home Sunday afternoon with Neda Kiser, Claude Cross and Homer Lawlis. All were doing fine.

Bro. Bob Cameron filled the pulpit of the Baptist Church Sunday.

Mrs. Bill Williamson and daughters of New Mexico are spending a few days in the Jonah Self home.

Mr. and Mrs. Faye Dozier and Mr. and Mrs. Ross Boyd spent Saturday evening in the R. M. Babb home.

Southwestern Bell

FROM THE FILES . . .

FORTY-FIVE YEARS AGO
(January 29, 1926)

Wednesday, J. J. Waggoner, President of the Hamlin Chamber of Commerce informed the Herald that he was the first man to run a car over the grade of the new Hamlin-Stamford Highway, that has just been completed. This is the first step towards the hard surfacing that everybody hopes to see within the near future. The entrance of the new road to Hamlin from Stamford brings the main highway to the end of Central Avenue paving. At the Orient crossing near the oil mill the road takes the new route, making a graceful curve towards the A. & S. Track and then further toward town it curves back to line up with the broad street that runs the entire length of town to the west. This change after the first survey was made brings the highway two blocks closer to the business section. The Herald would be glad to tell just which way this state road will go west or north out of town, but as yet, probably no one can do that.

Neinda went to Dovie, Tuesday afternoon and played them in basket ball. The Senior boys game was a schedule game, but the girls and Junior boys played practice games.

The Neinda Senior boys score was 44 to 7 in favor of Neinda.

The game between the girls was rather interesting, the score being 11 to 6 in Neinda's favor.

The Junior boys won their game, 22 to 0.

There is to be a Box Supper at Neinda, on Friday night, Jan. 29th. Cakes are to be provided, one for the most popular young lady, and one for the ugliest man. We expect to have a number of complimentary boxes from the surrounding towns.

Everybody come, and bring your boxes and your pocket books. Proceeds to be used for the benefit of the school.—B. T. Beaver, Principal

TWENTY YEARS AGO
(January 26, 1951)

Groundbreaking Wednesday marked the start of construction on a new Missionary Baptist Church on the former Bynum property on North Central Avenue. The site of the new construction is just north of the Carl Murrell home and fronting across of the Jack Hames home.

The new project is a subsidiary undertaking of the First Baptist Church and the lots purchased for the site were bought at a \$1,000 price. Cost of the completed structure is expected to amount to \$15,000.

The committee which arranged for the purchase of the property was composed of Horace Brown, Mr. and Mrs. W. L. Boyd, Clyde Angel, Ira Clements and Mrs. Joe Simpson.

Persons active in the program have expressed the hope that the new structure will be ready for occupancy by February 10 and a suitable

ceremony will doubtless be arranged with that date in mind.

After completion of the work of construction, visiting preachers will fill the pulpit for a time until a suitable man is selected.

The committee named above was assisted in their choice of property by Rev. A. R. Posey of the First Baptist Church.

Many sites were selected before the final choice was made.

Howard Food Market Wednesday added a new grey Chevrolet panel truck for their free delivery service.

Upon the need for parts for the Jeep station wagon added recently and the unobtainability of same the Chevrolet truck was purchased.

Hamlin's new Mexican Mission built and opened October 4, 1950, has a new pastor now. He is Rev. Victor Ortiz, a student at Hardin-Simmons University, Abilene.

TEN YEARS AGO
(January 26, 1961)

Moderate temperatures which accompanied rain early Tuesday morning dropped rapidly before noon turning the rain to sleet which continued throughout most of the day and into the night. Wednesday morning the ground was covered with ice, sleet and some snow. The low recorded at City Pump Station was 13 degrees with thermometers in other areas showing 12 degrees Wednesday morning.

Moisture readings at the pump station reveal a total of one inch, with .24 Tuesday morning, .74 during the day Tuesday and .02 from 5:00 p.m. Tuesday until 8:00 a.m. on Wednesday.

Although hazardous conditions prevailed Tuesday and Wednesday there were no traffic accidents reported to the local police department.

Police Chief J. L. McCurdy complimented drivers Wednesday morning as he noticed each one driving with extreme caution.

The number of wrecks so far this month have doubled the monthly average according to police records. There have been 13 wrecks to date and the usual number has been from five to six.

Students of the Hamlin Junior High School elected class favorites Tuesday morning.

The eighth grade elected Delia Nichols, daughter of Mr. and Mrs. Raymond Nichols and Joe Martin, son of Mr. and Mrs. J. B. Martin. Cynthia Anne Stephens, daughter of Mr. and Mrs. H. D. Stephens and Danny Joe Warren, son of Mr. and Mrs. J. L. Warren, were elected in the seventh grade.

Chosen from the sixth grade were Margaret Ann Johnson, daughter of Mr. and Mrs. W. T. Johnson and Bobby Moore, son of Mr. and Mrs. Fred B. Moore Jr.

Philosopher Comes Out With An Outrageous Plan to Allow Americans to Keep Eating

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One must be kidding this week, but it's sometimes hard to tell who.

Dear editor:

For a long time now I've been noticing in all the newspapers that turn up out here on this Johnson grass farm one article after another reporting that this brand of breakfast food or that brand of fish or such-and-such a soft drink has been analyzed by government chemists and ought to be discontinued.

Either they don't have enough nutrition, or they have too much mercury or they're hard on rats, the chemists report, which unfortunately are all sound reasons.

Moreover, just yesterday I read that the head of the U. S. Food and Drug Administration reported that his chemists, after a two-year study and analysis, have found that only about one out of five drugs totally lived up to their advertised effectiveness to relieve symptoms or cure diseases.

Also, as you know, there's a move on to ban scores of pesticides used by farmers, as chemists have found traces of the stuff in fish caught a hundred miles out to sea.

In fact, if the chemists keep on analyzing and banning things, before long there won't be anything left to eat.

Clearly, the only solution to this problem is to ban chemists.

Such a solution reminds me of a farmer I know whose wife, swept up by the times, decided to have their water well tested.

"Whatta you want to test it for?" he complained.

"Nothing wrong with it. We've been drinking out of that well for 25 years, raised our kid and half the neighbor's kids on it, and everybody appears in good health."

"Makes no difference," she said, "I want it tested."

He took a sample and sent it to the health department laboratory and a few days later the report came back: "Contaminated. Un-fit for human consumption."

"That sure taught me a lesson," he said as he turned

on a faucet and took a long drink of water, "I'll never have that well tested again."

Yours faithfully,

J. A.

Vicki Newland Is Teaching In Valley

Vicki Newland, recent graduate of McMurry College, is teaching in the sixth grade at Sam Houston School in McAllen. She assumed her duties Monday.

Her parents, Mr. and Mrs. B. Newland, accompanied her to McAllen Thursday and returned home Sunday.

Also making the trip with the Newlands was Mrs. B. O. Bell who visited with her son and family, Mr. and Mrs. Doyle Bell and Shauna.

We have PASTELS and VELOUR PAPER IN COLORS at the HERALD.

PRIDE AND JOY!

Proud Father...you bet...this is my child...she's sweet, trusting, lovely and

brings great joy to my life. I work harder in order to better my income so that I can

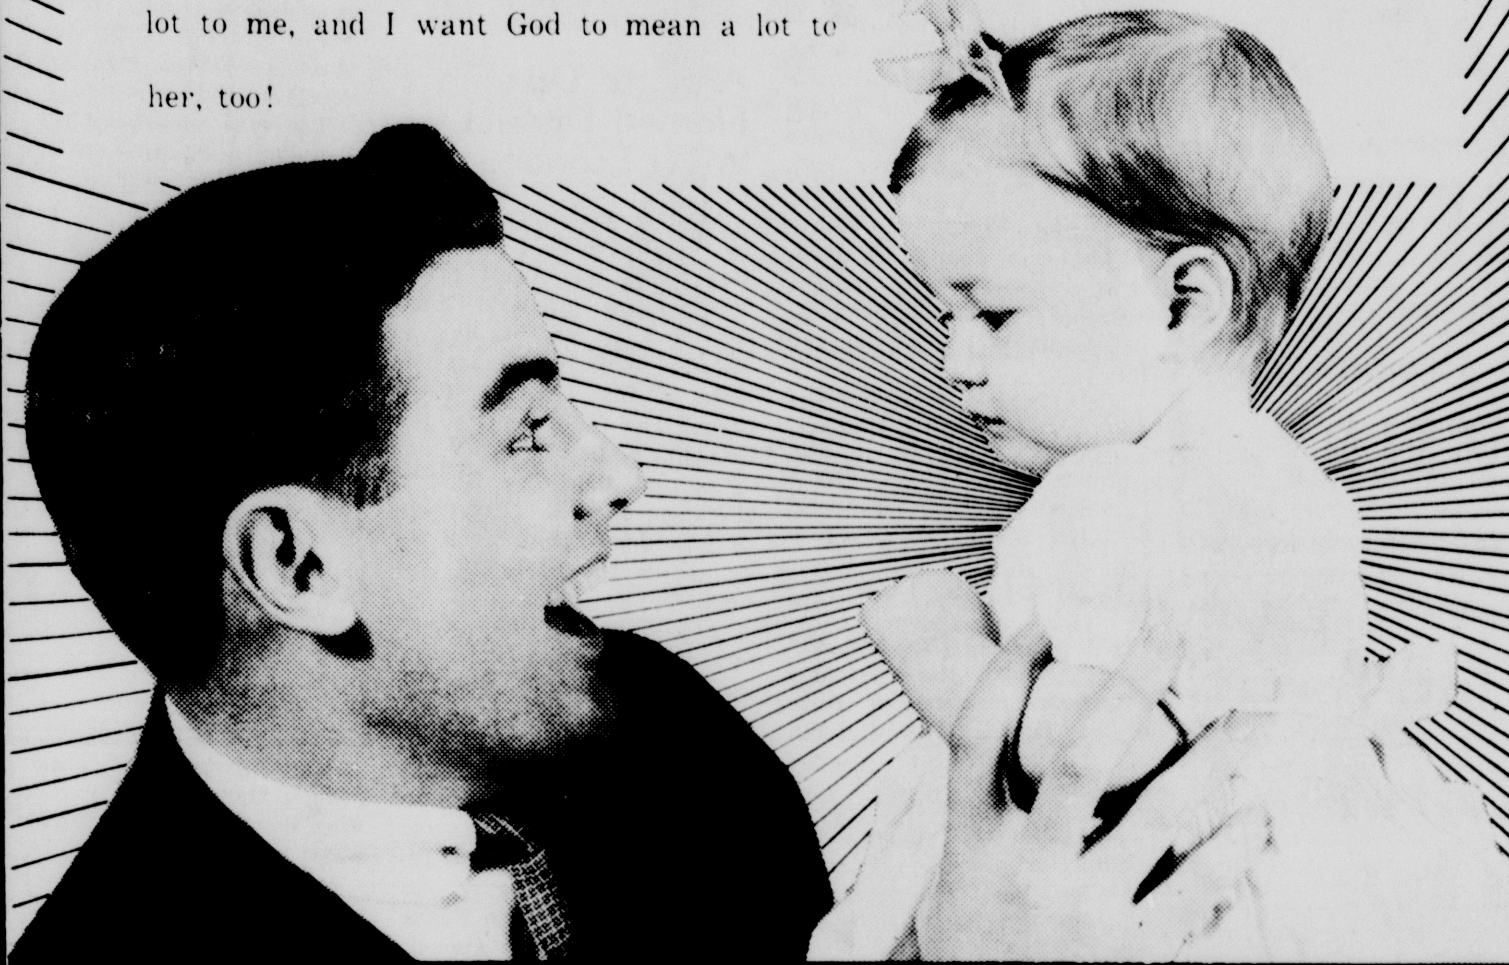

provide for her. She thrills me, and already I am making plans for her future.

Right now we are all dressed up and getting ready to go to church. I love her, and

I want the best for her. I want her to know early about God, and that he means a

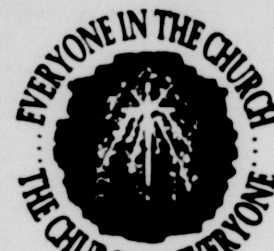

lot to me, and I want God to mean a lot to

her, too!

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

Coleman Adv. Ser.

AUSTIN, — Gov. Preston Smith told Texas lawmakers they can balance a \$6.8 billion budget without new taxes — by deficit finance, bond issues and federal assumption of welfare costs.

While legislators liked to hear that they can escape a tax bill, many found the Governor's approach contingent on too many "ifs." Voter approval of bond issues, they noted, is highly uncertain and congressional assumption of welfare is doubtful.

Here, in brief, is what the Governor proposed.

Financing of welfare programs for only 10 months in anticipation that Congress will take over full funding by then.

A maximum \$450 million "public free school bond" issue, to be retired from school land income now going by constitutional decree into the untouchable permanent school fund. A constitutional amendment would be required to create both the fund and pay-off plan.

Temporary deficit financing of a \$70 million emergency aid-to-welfare appropriation — which would require a four-fifths vote of the Legislature.

A \$71 million revenue bond program (secured with tuition income) to build new colleges, medical and dental schools authorized in 1969.

He also proposed three more constitutional amendments:

Removal of the \$80 million a year welfare ceiling.

Raising or removing the water development bond interest lid.

Creation of a \$100 million fund for state aid on waste treatment facilities.

Smith pledged an all-out effort to encourage a federal take-over of welfare financing. If lawmakers don't like his ideas, said the Governor, they should "bring me a plan."

COMMITTEES NAMED — House Speaker Gus Mutscher named his committees late last week, signaling the start of actual bill introduction and processing in the lower house.

As expected, he picked veteran Rep. W. S. (Bill) Healy of Paducah for another session as chairman of the budget-writing appropriations committee which promptly launched hearings of spending requests.

To the hot-spot revenue and tax committee chairmanship, he again appointed

Rep. Ben Atwell of Dallas. But Mutscher estimated he ordered 74 percent turnover in all chairmanships.

Rep. Rayford Price of Palestine was bumped from the hard-working state affairs panel chair, and Rep. James Slider of Naples got that job.

Rep. Delwin Jones of Lubbock got Mutscher's assignment to chair the congressional and legislative districts committee which must reapportion boundaries on the basis of the new census. Jones estimates a loss of 10 or 12 rural House seats.

Rep. DeWitt Hale of Corpus Christi kept the judiciary committee chair, and Rep. John Traeger of Seguin retained the constitutional committee gavel. New rules committee chairman is Rep. James Nugent of Kerrville.

Rep. Dick McKissack of Dallas, who sponsored the liquor-drink constitutional amendment, will head Mutscher's liquor regulations committee.

Rep. Frank Calhoun of Abilene is chairman of the criminal jurisprudence panel.

WELFARE MEASURE ADVANCES — First major measure to clear senate committee was a proposed constitutional amendment by Sen. Charles Wilson of Lubbock to remove the \$80 million state welfare ceiling.

Governor Smith said the current rate of expenditures would bring the state up against an \$80 million lid by

June 1, and drastic cuts in aid to families with dependent children would be required. Welfare Commissioner Burton G. Hackney estimated AFDC average payments of \$113.60 a month would be slashed to \$90 May 1 if the ceiling is not raised.

Sponsors of the amendment hope to get it to a vote by early May along with other proposals in the Governor's constitutional change package.

AID FOR PRIVATE COLLEGES — Coordinating Board Texas College and University System endorsed state aid to hard-pressed private colleges.

Board backed tuition equalization grants to needy students and state contracts with private institutions for educational degree purposes. Bills to accomplish both purposes have been introduced. Estimated cost to the state is about \$28 million.

Board turned down a proposal that the state should assume full cost of community junior colleges.

ALLOWABLE DOWN — Railroad Commission set the February oil allowable to permit a maximum of 3,852,821 barrels a day production, reducing the flow from 83.1 per cent in January to 82.1 per cent.

Actually, production is not expected to exceed 3,411,000 barrels daily. Buyers nominated for 3,410,979. Commission heard testimony

on high inventories of Texas crude. Only one of 14 major oil company buyers — Mobil — changed purchase plans from January.

DEMOCRATS BACK ELECTION CHANGES — State Democratic Executive Committee endorsed a sweeping election law revision, including Tuesday primary dates and allowing 18-year-olds to participate in national party convention delegate selection.

Party leaders recommended complete revision of voter registration laws but came up with no specifics. They also proposed changes in convention procedures to conform with national party rules.

Legislation is pending in the senate to repeal the annual voter registration requirement and to move dates of primaries from May and June to August and September. Constitutional amendment to permit 18-year-olds to vote in all elections also is pending.

SHORT SNORTS — Legislation urged by the Governor to require immunization of school children has been introduced.

Insurance Board will hold a hearing on February 18 here on revision in fire, windstorm and extended coverage rates and rules for writing fire and allied lines of insurance.

Senate passed a bill exempting from sales tax in-

come from "late, late" movies leased to tv stations. Governor named Michael P. Metcalf of Dumas 68th district attorney.

Once a slot machine, always a slot machine, said Attorney General Martin in an opinion, holding that such a device still is forbidden even if altered to put out

souvenir type coins. Texas Water Rights Commission adjourned hearing until Feb. 2 on Chambers, Jefferson, Liberty and Galveston counties farmer's protest at cost of irrigation water.

Adding machine paper — at the HERALD.

HELLO

I AM WILLIAM JACKSON JR., OWNER OF
JACKSON'S BODY SHOP
ON ALBANY HIGHWAY IN ANSON

I was thinking that in today's world of low values, high prices and shrinking dollars—it is very easy to receive less than one really expects. For instance

IF you have not received a letter asking that you return your car for a re-inspection after your work has been done—you may be getting less than what is routine at JACKSON'S.

IF you can not wait in a well appointed waiting room while your car is being worked on as a matter of standard facilities, you are receiving less than you pay for.

IF you've ever been given 'that is not in my department' routine, you are getting less than standard procedures at JACKSON'S. And whatever you are getting, your most expensive possession is getting it. And you may be paying more to get it.

Try JACKSON'S BODY SHOP. It has been referred to as a refreshing experience. Call collect

NEWS FROM . . .

Old Glory

By Bernice D. White

The Old Glory student body and visitors enjoyed two interesting assembly programs last week.

On Wednesday afternoon, Patrolman Bobby Stone of Aspermont showed a film and gave a talk on Drug Abuse. He brought a display of various types of drugs. As an extra attraction, he afterward gave the high school boys a "tour" of his car and demonstrated the radar. He was introduced by Dewey Dudensing.

Another entertaining speaker was Mr. Spencer Guimarin, Director of Texas Health Careers Program, who spoke in assembly Thursday morning. From his first joke through his final rendition of "Ah Caint Git Offa Mah Hourse" he held the attention of his audience. He spoke seriously about vocational choices.

Mr. Guimarin was introduced by Steve Letz.

4-H

The Old Glory 4-H Club met on the afternoon of Jan. 14 in the school study hall. The Motto and Prayer were led by Marcene Baldree. Sherry Rhoads served refreshments.

The business concerned the activities of the 4-H members in connection with the 4-H Carnival held Jan. 23 at the Aspermont School, where Old Glory members were in charge of the pie walk and the country store. O. G. members were asked to bring Gold Bond stamps, two pies, and items for the country store, also one package of weiners for the food concession. All money from the carnival will go to the County 4-H Fund for expenses.

Members were also reminded that the Stonewall County Fat Stock Show will be held next month at Aspermont.

Lynette Meier — Reporter

Dewey Dudensing and Eustaquio Castro have entered the 1971 REA Oratorical Contest. They will be judged by outside judges Feb. 2; then the winner of the local tryout will participate in the speaking contest at Stamford Mar. 2. The subject to be used is "This I Believe." Stamford REA will send the boy and girl winner on a Youth Tour of Washington in June — a 12 day all-expense paid trip.

Old Glory has had two winners in the past years — Rebecca Letz in 1968 and Russell Letz in 1970.

Mrs. Nora Offill accompanied Mr. and Mrs. Robert Thane of Stamford to Amarillo last weekend where she visited in the home of her son and family, the Floyd Offills.

Mr. and Mrs. H. L. Boles, Rickey and Cynthia spent last weekend in Lewisville where they visited their daughter Mrs. Francell Howerton and also their son and family, Mr. and Mrs. Donald Boles and children.

Mr. and Mrs. Billy Lackey and children of San Antonio and Mr. and Mrs. James Russell Newman of Monahans were here last weekend visiting with Mrs. J. F. Newman.

Mrs. H. E. Carr has returned home after spending several weeks in Abilene and Hawley with her granddaughters and their families, the J. R. Alexanders and the Bill Iveys. We welcome Mrs. North from Peacock to our community, who is here staying with Mrs. Carr.

Mr. and Mrs. Morris James of Richardson were here last weekend visiting the Morris Garners, A. R. Sawyers and other relatives.

Mr. and Mrs. Marvin Letz of Haskell were here Sunday visiting his parents Mr. and Mrs. Herman Letz and attended church here Sunday morning.

No School Monday

There will be no school Monday, Feb. 1, in the Hamlin School system as the local teachers will be attending a workshop in Rule on that date, according to Supt. C. F. Cook. This is one of five days during the school year set aside for such workshops.

LUBBOCK — James G. Kincaid, son of Mr. and Mrs. G. W. Kincaid of Hamlin was among the more than 250 Texas Tech University students in the College of Agricultural Sciences to be named to the Dean's Honor List for the fall semester.

He is a senior and is majoring in Park Administration. To qualify for the Dean's List a student must have a grade point average of 3.0 or more and must be taking as many as 12 hours of work.

NEWS FROM . . .

Old Glory

By Bernice D. White

The Old Glory student body and visitors enjoyed two interesting assembly programs last week.

On Wednesday afternoon, Patrolman Bobby Stone of Aspermont showed a film and gave a talk on Drug Abuse. He brought a display of various types of drugs. As an extra attraction, he afterward gave the high school boys a "tour" of his car and demonstrated the radar. He was introduced by Dewey Dudensing.

Another entertaining speaker was Mr. Spencer Guimarin, Director of Texas Health Careers Program, who spoke in assembly Thursday morning. From his first joke through his final rendition of "Ah Caint Git Offa Mah Hourse" he held the attention of his audience. He spoke seriously about vocational choices.

Mr. Guimarin was introduced by Steve Letz.

4-H

When you promised to share and share alike, did that mean your wife could use up all the hot water?

You could get up earlier. Then you'd be sure to beat her to it. Of course she wouldn't be too impressed with your chivalry. Another alternative is a larger gas water heater. Gas water heaters are easy to buy, easy to install, and recover hot water up to twice as fast as comparable electric models. So stop competing with your better half. Get a larger capacity hot water heater. For fewer fights and lots more hot water.

Junior High Honor Roll

Eighteen students in the three grades of Hamlin Junior High School maintained grades of "A" in all subjects during the third six weeks period, according to the list compiled by Principal Marvin Carlton.

The sixth and seventh grade classes each had seven students earning all A's in classroom work. In the eighth grade four students maintained this grade.

The Honor Roll follows:
EIGHTH GRADE
All A — Randy Elmore, Debra St. Clair, Ray Sonnenburg and Cheryl Lewis.
A Average — Peggy Farnsworth, Randy Crouch, Blain Lewis, Cynthia McMillan.
B Average — Tommy Hartley.

SEVENTH GRADE
All A — Gary Ford, Tamie Harris, Debra Hollis, Debra Jay, Rick Craig, Gerald Rodgers, Melissa Maden.
A Average — Debbie Cary, Sherrie Carter, Diane Johnston.
B Average — Elaine Carlton, Larry Griffin, Lori Driver, Jeff Cary, Patrice Moore and David Pool.

SIXTH GRADE
All A — Jan Ford, Cheryl Baker, Cindy White, Suellen Waggoner, Sue Sellers, Denise Hought and Elise Kelley.
A Average — Rhonda Hart, Kayla Mehaffey, Donna Wasson, Lisa Howard, Diane Fleming, Billy Goodgame, Paul Reynolds, Norma Gann, Melinda Johnson.
B Average — Tonya Covington, Tommie Ann Mayes, Jeffrey Witt, Tracy Gregory, Barbara Hooper and Treva Jo Pettit.

Lions Club Seeks Applicants for Summer Camp

"Do you know a handicapped child who would like to spend two wonderful weeks at summer camp . . . free?" asks John Steele, Hamlin Lions Club chairman of camper applications.

Mr. Steele is taking applications now for campers to spend two weeks this summer at the Texas Lions Club for Crippled Children at Kerrville.

It is free and transportation is handled by the local Lions Club, he said.

Anyone with information concerning a prospective camper should call Mr. Steele at 576-3232 or 576-3372.

Pictures used in the Hamlin Herald may be picked up by the owner within two weeks after publication. Classified deadline is 8:30 a.m. Wednesday.

OUTDOORS IN TEXAS
BY VERN SANFORD

Sometimes crappie can be the easiest of all fish to catch. And sometimes the most difficult!

They are easy to catch only because they roam in schools. Once you pinpoint a concentration of crappies you can anchor at the spot and quite often fill a stringer with these tasties.

Finding the schools is, of course, your problem. And, unless you are fishing where the fish are you aren't likely to catch any.

Schools of crappies are scattered enough to be at a spot where they gather, he will find that catching one is next to impossible.

Crappies prefer to linger around some underwater obstruction; a sunk tree, a large boulder, or a clump of brush.

Some fishermen create their own crappie-fishing hotspots by cutting brush (cedar is good), tying it together and anchoring it in deep water. The depth where you'll find crappie varies from lake to lake, but in our large reservoirs you'll usually locate them in about 10 to 30 feet of water.

In the spring they'll move along the shoreline to spawn. Then you can catch dozens of them in the shallows. But most of the time they'll be near the bottom in deep water.

Here are some suggestions offered by accomplished crappie fishermen:

When crappies are in a cooperative mood, they'll usually bite in a hurry. Never spend more than 15 or 20 minutes in one spot. Drop your live minnow right to the bottom, then take a couple of turns on the reel handle. Leave the bait here for about five minutes, and if you haven't had a nibble, take a couple more turns on the reel handle. Every five minutes come up a few more feet. This way

you'll be prospecting each layer of water from the bottom to near the top. Move frequently, trying different spots, around underwater obstructions.

You'll likely find a school of fish sometime during the day if they are biting at all.

A helpful aid is a commercial crappie rig, available at most sporting goods stores. This rig has a pair of twisted-wire "arms" which extend out from the main line. Snelled hooks are tied on these extensions which hold the wiggling live minnows away from the line, preventing twisting. Many anglers prefer to hook a minnow through both lips, rather than behind the dorsal fin. Since a crappie tries to swallow a minnow head-first it is more susceptible to becoming hooked this way.

Two common mistakes that most fishermen make when fishing for crappies are using a hook and a minnow that are too large. A No. 3 fine-wire hook is about right, the minnow should be no more than two inches in length. A crappie has a small mouth. A successful crappie fisherman has a sensitive "feel". A crappie can carve a minnow off a hook with almost indiscernible action.

These tricky little critters actually can come up from below, raise the minnow and neatly take it off the hook without the angler realizing he's had a bite. So, watch your line closely. Should it start moving off at a tangent, even slightly, raise your rod tip smartly. It might be the current that's moving the minnow. But it could be a bait-stealing crappie. Successful crappie fishermen never take anything for granted. They set the hook at every inkling of a nibble.

THE FAMILY LAWYER

Clean Water Laws

One-and-a-half centuries ago, the poet Byron wrote:

"Till taught by pain, men really know not what good water's worth."

Today, taught by the pain of pollution in a thousand lakes and streams, we are becoming acutely aware of what good water's worth. Clean water laws are being enacted with new urgency and enforced with new vigor.

Yet, serious objections may be raised by those who are affected adversely. How do the courts look upon such objections?

To begin with, there are indeed limits as to how far the government can go in fighting pollution. Take this case:

A state water commission tried to halt the discharge of sewage into a certain river. But the sewage was being discharged so far from the nearest community, under such carefully controlled conditions, that the chance of any harm to public health was almost nil.

Under these circumstances, a court ruled that the water commission was overstepping its authority. The court felt that even in the name of clean water, there has to be some reasonable basis for government action.

Nevertheless, the vast majority of clean water laws have been upheld, even when they impose real hardship on a particular city, a particular industry, or a particular individual.

Consider the case of a factory

owner who had been discharging raw pollutants into a local brook. When a new law banned this practice, he took the matter to court.

"I don't challenge the law itself," he said. "But the fact is that because of the ban, my factory is suddenly worth about \$100,000 less than it was before. Why shouldn't the government reimburse me for that loss? Otherwise, this is taking private property without compensation, which is unconstitutional."

However, the court denied his claim, saying this was not a "taking" in the constitutional sense. "The design is not to take

property for public use," said the court. "It is to regulate the use of property so as to protect the common right of all citizens."

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

After looking over Gov. Smith's budget message to the Texas Legislature, I am convinced of one thing—whatever the outcome of the stock scandal sweeping the state, the Governor didn't mastermind it. He's not that smart!

Anyone naive enough to submit a budget not calling for any new taxes based on the assumption that the Federal Government will take over all the costs of the welfare program and that the voters would approve a \$450 million bond issue to spread the cost of operating our schools for the next two years over a 15- to 25-year period couldn't conceive of a money making plan as slick as this one apparently was.

Two years ago he vetoed a plan to put off a tax increase for one year and now he wants us to buy a plan that would put off paying our bills for 15 to 25 years. But then he won't be Governor—we hope!

With the costs of state government increasing every year you can only wonder what the Governor plans to do about the tax bill for 1973 and 1975, put them off 50 and 75 years?

What it amounts to is the Governor is just passing the buck off on the Legislature to solve our budget problems and then he can sit back and say it wasn't his fault we have to pay more taxes. We should be able to expect more than this from our Governor.

Have you been out to the new airport yet? If not we would suggest that it would be worth your time to drive out there sometime. The lights have been installed now and Hamlin Flying Service has their hanger finished and everything is in operation and it appears to us to be a real first class layout—one we can all be proud of.

Rather surprising, we understand that an average of seven or eight planes a day have been using the field since it has been in operation.

We received a rather interesting news release from the Jones County Home Demonstration Agent, Mrs. Mary Y. Newberry, that you housewives might be interested in.

Mrs. Newberry claims, "We're paying more and more at the supermarket just for the privilege of carrying home plain, ordinary water."

Soup manufacturers have realized that consumers will pay a good price for water, so they're adding it at the plant, the agent explains. By advertising "honest, old-fashioned soup," they can get the public to pay two to three times the single serving price of condensed soups.

A recent survey taken in Washington, D. C. shows that soups with water added cost about 12.5 cents per serving, while condensed soups cost about 4.2 cents for the same serving.

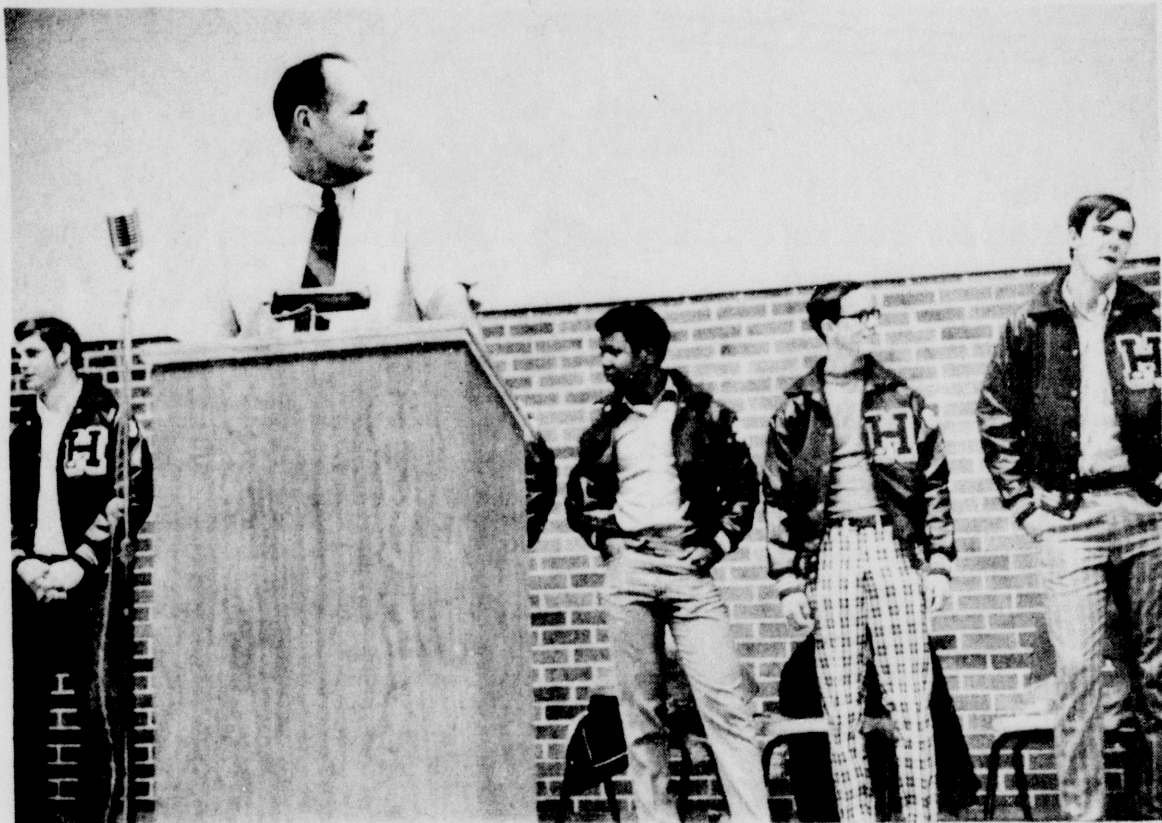

There are other products in which we pay for water, Mrs. Newberry adds. Some puddings and whipped toppings come ready-to-eat. Fruit drinks often containing only 6 percent actual fruit are made up mostly of water.

"Just think how much we've spent on bottle drinks and the energy exerted lugging home all those bottles of water," she points out.

But convenience can't be ruled out. When we're in a hurry or unable to make the product ourselves, convenience foods come in handy. Products such as ready-to-eat puddings and toppings save cooking and cleaning equipment. And some take the guesswork out of cooking.

Soups and soft drinks, however, are another story. A can of soup still needs to be opened and the contents heated in a pan. Do you consider it much work to add water?

The next time you feel the cost of living tugging at your pocketbook, stop and think. Is it worth the extra cost to have someone else turn on the faucet?

AT SPECIAL ASSEMBLY—Deane Wright, director of athletics for Hamlin Schools, presented football jackets to first year lettermen during an assembly last Wednesday. Others who had received jackets previously received only letters from the school and picked up the jackets they had purchased. On stage are, from left, Barry McDonald, James Mayes, Steve Baker and Daily Ponder. (Photo by Tim Jones)

Football Jackets, Letters Presented Here Wednesday

Boys who lettered in football this season received jackets and letters during a special assembly last Wednesday.

Deane Wright, athletic director, presented jackets to the following boys: Fernando Rangel, Daily Ponder, Gene Stovall, Rosendo Morales and Doug Elliott, all seniors;

Milton Jones, sophomore; Barry McDonald, Ricky Rodgers, Jackie Warner, Mike Donham, Steve Baker and Dewayne Hertel, all juniors. Johnny Cork received a manager's award.

Boys who had previously received a football jacket, band jacket or manager's jacket received only letters and purchased their own jackets. This is in accordance to a ruling by the University Interscholastic League that a student is allowed to receive only one jacket from the school.

Those who had previously received jackets received letters with stripes to represent more than one year that they had lettered in football. These were Duane Stewart, 3; Charlie Sellers, 3; Steve Smith, 2; Darrell Craig, 2; Steve Teichelman, 2; Greg Perrin, 2; Edward Johnson, 2; and Alcario Mendoza, all seniors; and James Mayes, a junior.

BCD Names Scarborough President

The board of directors of the Hamlin Board of Community Development elected John Scarborough to serve as president of the organization for the coming year. The board took this action at their regular monthly meeting at noon Thursday.

Elected to serve with Scarborough were: Jack Willingham, first vice president; Raymond Scifres, second vice president; and Donald Young, treasurer.

The new officers will take over their duties following the annual banquet to be held in the high school cafeteria Mar. 5.

Barry Moore, BCD president, presided at the meeting.

Annual School Census Now Being Taken By District

The annual school census is now being taken by the Hamlin Public Schools, according to Supt. C. F. Cook. In announcing the census Supt. Cook said that there is a change this year in that only children that will be 5, 6 or 7 are to be counted.

In the past all children between the ages of 6 and 17 years of age on or before Sept. 1, would be listed on the census but the state no longer requires a yearly census.

Therefore, Supt. Cook stated, we are requesting only children that will be 5, 6 or 7 years old on or before Sept. 1, 1971, be counted. He said, "This is very important as we need to know how many children we will have to enter school next September; also, the number to be in our kindergarten program."

Forms will be sent out during the months of January and February and parents or guardians of children born after Sept. 1, 1964, and before Sept. 1, 1966, are asked to sign a census blank.

Supt. Cook added, "If you have children in this age group or if your neighbor or friend has a child, help us secure their name and birthday."

Southwestern Bell Shows Increase In Phones In Hamlin

The number of telephones in Hamlin increased to 2,145 during 1970, according to Bud McCasland, manager for Southwestern Bell Telephone Company.

He said this compares with 2,095 telephones in Hamlin at the end of 1969. A total of 490 telephones have been added here since 1960, an increase of 29 per cent. A three-year forecast indicates there will be 2,820 telephones here at the end of 1974.

"Hamlin residents were talkative last year, too," McCasland noted. "They dialed 7,054 calls on an average business day during November."

McCasland said a record \$114.1 million construction budget has been set by Southwestern Bell for its San Antonio Area, of which Hamlin is a part. The area covers roughly the western half of Texas. The money will be spent for central office equipment, buildings, and outside plant such as cable installation.

Letter to Editor—

Rep. Calhoun Urges Voter Registration

Newspaper accounts and other news media accounts of voter registration in our county indicates that, as usual, voter registration is lagging as the deadline of January 31 nears. It is human nature to put off until the last minute things such as voter registration but many people are probably thinking that this is an "off" election and therefore not worthy of registration. Nothing could be further from the truth.

As this regular session of the 62nd Legislature gets under way in Austin, it is becoming increasingly apparent that there will probably be a special constitutional amendment election in the spring of this year. This, plus the city elections in the various cities in the county, certainly makes it worth while to register to vote.

Welfare needs are greatly in excess of the \$80,000,000 maximum constitutional limit and there will probably be a constitutional amendment presented to the people for their action to raise or remove this ceiling. We will probably also see a constitutional amendment proposed to increase the size of the Texas Senate from 31 to 39 members, and a proposal to adopt the so called "Cavness Plan" which would enable the available school fund in the state of Texas to use a portion of those funds going into

the permanent school fund from oil and gas leases and royalties.

I hope that the people will realize that this is a very important election year and register in great numbers prior to the January 31 deadline.

Sincerely,
Frank Calhoun

Visiting from Sunday through Tuesday in the home of Mrs. F. M. Crow was Mrs. Doby Johnson of Odessa.

Pipers In Second Place As They Start Second Round

The Pied Pipers used a stall to break up a tight zone defense to defeat the Haskell Indians Friday evening in Haskell, 47-43, to hold on to the second place spot in District 7-AA. At the end

of the first half of round robin play the Merkel Badgers are in first place with a 5-0 record, followed by the Pipers with a 4-1 record.

Friday evening the Pipers will host the Stamford Bull-

dogs here with the B game starting at 5. On Tuesday the Hamlin teams will travel to Rotan to meet the Yellowhammers.

Leonard Johnson led the Piper scoring against Haskell with 18 points. Also in double figures were Shelton Marshall with 14 and Ricky Rodgers with 10.

The Haskell girls defeated the Piperettes, 45-31, with Debbie Hardaway scoring 25 points. The Piperettes are now 2-4 in district play.

The Hamlin Junior Varsity rolled over the Haskell JV's 61-37.

Tickets Available Here—

'Rehab '71' Television Benefit Set for Saturday

While stars of the "Rehab '71" television benefit, to be staged by the West Texas Rehabilitation Center here Saturday, vary in their talents from the screen to the

Tickets for the show to originate from Moody Coliseum on the campus of Abilene Christian College are \$2.00. The show begins at 7:15 p.m.

Tickets are available locally from Feagan Oil Company and at the Hamlin Herald.

rodeo arena to the football field, they all have one thing in common—providing the Center's operating budget for

1971.

The six and one-half hour color-cast, to be presented over television KRBC in Abilene, KACB in San Angelo, KMID in Midland, and KWSO in Lawton, Oklahoma, will kick off the Center's 1971 public education and fund raising program.

Featured on the program will be Rex Allen, a longtime friend of the Center; Rosemary Clooney, million-record selling singer; Slim Pickens, noted screen and television actor—comedian; and Pedro Gonzalez-Gonzalez, zany comedy character actor in both television and the movies.

Reps. Jones, Calhoun Get Top Posts On Committees

AUSTIN — Texas House Speaker Gus F. Mutscher today announced the appointment of both State Representatives from Jones and Taylor Counties to chairmanships of House Committees for the 62nd Legislative Session.

Mutscher appointed Grant Jones as Chairman of the Urban Affairs Committee and Frank Calhoun as Chairman of the Criminal Jurisprudence Committee.

The Speaker said the ten years of combined legislative experience for the two "provides a sound basis of leadership to deal with legislation studied by their Committees."

Jones' Urban Affairs Committee has jurisdiction over all matters relating to the cities and towns of Texas.

The Criminal Jurisprudence Committee, chaired by Calhoun, considers matters relating to criminal law in Texas. During the current ses-

sion this Committee will be involved with a proposed complete revision of the Texas Penal Code.

"The appointment of Representative Jones and Calhoun to positions on these vital Committees is an indication of the importance of the Jones-Taylor delegation in the Texas House," Mutscher said.

School Trustee Election Called By Board for Apr. 3

The Hamlin Board of Education has called a trustee election for April 3, 1971, in the high school lobby. Two trustees will be elected.

The terms of Jackie Williams and Raymond Scifres will expire at that time. Neither has indicated at this time whether they would seek re-election.

Anyone living within the Hamlin Independent School District who desires to have their name placed on the ballot for the three-year term of trustee must make application in writing and sign a Loyalty Oath. Mrs. J. O. Murphree, secretary to the superintendent, will furnish the necessary forms.

The board appointed he following to hold the election: A. B. Carlton, election judge; Mrs. Arlie Cassle and Mrs. A. B. Carlton, clerks; and Mrs. Murphree, absentee clerk.

Junior High Cage Teams to Play At Stamford Tonight

The three Hamlin Junior High teams will travel to Stamford tonight (Thursday) to play the Stamford teams and then will travel to Haskell Monday. The games with Stamford will complete the first round of play for the Junior High District.

Last Thursday the eighth grade boys and girls defeated Anson, with the seventh grade boys dropping their first game of the season, 35-27. Gary Don Mayes was high for the seventh grade with 9, followed by Alan Steele with 7.

Kimi Mehaffey lead the girls with 9 points as they won over Anson, 22-20. The eighth grade boys defeated Anson, 36-31, with Johnny Jones scoring 25 points.

Monday night the two boys teams defeated Rotan, with the girls dropping their game to the Rotan girls. Gerald Rodgers scored 7 points to lead the seventh graders as they won 24-15.

The girls were defeated by one point as they lost, 15-14, with Elberta Cork scoring 8 points. Jones lead the eighth grade boys scoring with 22 points as they won over Rotan, 32-25.

Youth Group Sets Dance Saturday

The Hamlin Youth Activities Association will sponsor a dance here Saturday evening beginning at 8:30 p.m. with a live band.

The featured band will be Variety Show. The event will be held in the Jaycee Community Building.

All teenage and college age youth in the surrounding area are invited to attend.

George Howard, Evert Crow and Mrs. Valeta Hartley attended the funeral of their nephew and cousin, Hugh Lawler, in Waurika, Okla. Monday. They spent one night in Terral, Okla., visiting with Mrs. Minnie Vandenburg, sister to Mr. Howard. The group also visited with Mrs. Lou Hayes, another sister to Mr. Howard, who is a resident of Colonial Manor in Wichita Falls.

Up 50% Since '60 —

Inflation Hits School Finances Hard

A look at the financial statements of the Hamlin Independent School District for the past year and the one for ten years ago indicates that schools like everyone else have been hard hit by inflation.

The combined expenditures have increased by 50 percent over the ten-year period with the cost of instruction taking the biggest jump. Where the cost of instruction ten years ago was \$245,141.99 it was \$418,938.55 this past year. The total expenditures ten years ago were \$407,816.80

and were \$620,110.63 this past year.

In order to overcome this increase cost over the ten year period the local taxpayers have assessed an additional \$98,000. Local funds totaled \$232,430.85 ten years ago and were \$330,694.59 this past year.

During this same period money from state sources have increased from \$165,730 to \$283,038.61. Federal aid was not listed in the statement ten years ago and amounted to \$7,382 last year.

Other items listed in the current statement followed

by the amount listed ten years ago are as follows: administration, \$36,618, \$24,150; health service, \$6,283, 2,766; pupil transportation, \$16,070, \$17,408; operation of plant, \$47,510, \$30,009; maintenance of plant, \$4,337, \$9,138; fixed charges, \$5,711, \$3,655; student activities, \$2,159, \$1,146; capital outlay, \$5,008, \$17,280; debt service, \$73,097, \$56,000.

The statements are for the years ended Aug. 31, 1960 and 1970. The current financial statement appears elsewhere in this issue.

Four Books Added To Library Here

Four new books have been added to the collection at Hardin Memorial Library according to Mrs. Donald Young, temporary librarian.

The books purchased include "Love Story" by Erich Segal; "A White House Diary" by Lady Bird Johnson; "Everything You Always Wanted to Know about Sex" by David Reuben, M. D. and "Robert's Rules of Order Newly Revised" by General Henry M. Robert.

Also added were 56 pocket books, nine youth fiction, two adult fiction and a set of children's Golden Book Encyclopedias. These were donated to the library.

The library is open five days a week, from 3 to 5 p.m.

B & P W CLUB MEETS WITH MRS. PAUL GOODGAME TUESDAY

Mrs. Paul Goodgame was hostess for the Tuesday evening business meeting of the Hamlin Business and Professional Women's Club.

Others present were Mmes. E. A. Hewitt, A. J. Winegeart, Audrey Hodnett, E. W. Ueckert, John O'Neal, Othel Sipe, Frank Shearer, Kenneth Riddle, Mac Reid, Luther Haight, Earl Brown, and Miss Viola Avants.

The next meeting will be Feb. 9 in the home of Mrs. I. R. Witt. Mrs. O. H. Weaver will speak on harmful drugs.

Monday, Tuesday, Wednesday and Friday and from 5 to 7 on Thursday.

Debra Scarborough, Richard Vickers United In Marriage

The marriage of Debra Scarborough and Richard Clayton Vickers is announced by her father, John Scarborough. Vows were solemnized Jan. 11 in the home of Rev. Almon Martin, minister of the First Christian Church in Cisco.

Parents of the bridegroom are Mrs. Jim Hanlon of Cisco and Richard Beverly Vickers of Odessa. The bride is the daughter of Mr. Scarborough and the late Mrs. Scarborough.

The bride is a graduate of Hamlin High School and is a sophomore at Cisco Junior College where she is a member of the Wrangler Belles.

Vickers, also a graduate at CJC, graduated from high school in Cisco and is employed by Fambrough Manufacturing Company. A business administration major, he plans to attend Texas Tech University in Lubbock in the fall.

The couple's new address 1010 W. 14th Street, Cisco.

ANNETTE DUNCAN
WTU economist
Annette Duncan Named District WTU Economist

Annette Duncan, employed by West Texas Utilities in December, has been transferred from Abilene to Stamford and is now serving as district home economist for West Texas Utilities Company. The addition to the Company's district staff was announced today by District Manager Russell Crowmover of Stamford. Hamlin is included in the Stamford district.

Miss Duncan has been working as a home economist for the past month. She has replaced Mary Caton who resigned several months ago.

Miss Duncan is a 1963 graduate of Mullin High School; attended Angelo State University; and received her B. S. degree in Home Economics from Texas Tech University in August, 1970.

Mr. and Mrs. Bryan Justiss of Sweetwater are parents of a girl, Kimberly Deann born Jan. 22 at 8:50 a.m. in Hamlin Memorial Hospital. She weighed 7 lbs. 6 1/2 oz. Maternal grandparents are Mr. and Mrs. T. A. Douglass of Sylvester. Paternal grandparents are Mr. and Mrs. Clifford Justiss Jr. of Sweetwater.

Woman's Forum Elects Officers

Mrs. John Ferguson Jr. was elected president of the Hamlin Woman's Forum at the meeting held Monday evening in Hardin Memorial Library. She will serve a two-year term with the following officers:

Mrs. Harvey Lawlis, first vice president; Mrs. Bob Craig, second vice president; Mrs. L. O. Hughes, recording secretary; Miss Lennie Greenway, corresponding secretary; Mrs. Kenneth Riddle, treasurer; and Mrs. Ken Prewitt, reporter.

The new officers will be installed April 26 at the regular quarterly meeting.

Mrs. R. D. Moore, president, presided during the business session.

Report was made that the executive committee had selected Mr. and Mrs. Ronnie Hellums as new residents of the living quarters at the library and Mrs. Hellums will be moving here this week from Andrews. Mr. Hellums is employed by Mac's Food Market.

Mrs. Donald Young, interim librarian, reported that 55 books had been cataloged and put into circulation during December and 15 books were added this month. She also noted that 43 books were checked out in December and 85 books had been checked out through Jan. 25. Four new readers were added in recent weeks, she noted.

Following a tour of the living quarters by the Forum members it was voted to do some repair work before the new occupants moved in. Work on the floor of the southwest bedroom floor and other repairs were authorized.

NEWS FROM ...
Sylvester

Palm Springs, Calif., doesn't have a thing over our town. We have beautiful spring weather, cool and dry.

Mr. and Mrs. Thurman Douglass are the proud grandparents of a lovely 7 lb. 6 1/2 oz. girl Kimberly Deann Justiss, born last Friday in Hamlin hospital to Mr. and Mrs. Bryan Justiss of Sweetwater.

Mr. and Mrs. Merrell Turner spent several days last week visiting her mother Mrs. Ella Scott and her brother's family the Charles Scotts.

Edgar Smith has returned from Temple with a good report from his doctors.

Mr. and Mrs. Arthur Lewis Maberry spent several days recently with their parents, the Melvin Thompsons of Sylvester and the Albert Maberrys of Trent. They have returned to Tarleton College in Stephenville.

Mr. and Mrs. Mike Dobbs are moving back to Big Spring and spent some time with their parents, Mr. and Mrs. Woodrow Lawlis. Also in the home were another daughter and family, the Jimmy Purvies of Eules.

The Early children helped their parents, Mr. and Mrs. Cliff Early celebrate their 51st wedding anniversary Sunday afternoon. They have four sons, James of San Angelo, Donnie of Hamlin, Wyman of Roscoe and Glyden of San Angelo. We wish them many, many more happy years.

Mrs. Alma Scott spent some time last week in Hamlin hospital but is home now.

Mrs. Edward Lawlis is spending a few days in Abilene with her daughter, Marie Henley.

The Babb's visited in the Fisher county nursing home Sunday afternoon with Neda Kiser, Claude Cross and Homer Lawlis. All were doing fine.

Bro. Bob Cameron filled the pulpit of the Baptist Church Sunday.

Mrs. Bill Williamson and daughters of New Mexico are spending a few days in the Jonah Self home.

Mr. and Mrs. Faye Dozier and Mr. and Mrs. Ross Boyd spent Saturday evening in the R. M. Babb home.

Southwestern Bell

FROM THE FILES . . .

FORTY-FIVE YEARS AGO
(January 29, 1926)

Wednesday, J. J. Waggoner, President of the Hamlin Chamber of Commerce informed the Herald that he was the first man to run a car over the grade of the new Hamlin-Stamford Highway, that has just been completed. This is the first step towards the hard surfacing that everybody hopes to see within the near future. The entrance of the new road to Hamlin from Stamford brings the main highway to the end of Central Avenue paving. At the Orient crossing near the oil mill the road takes the new route, making a graceful curve towards the A. & S. Track and then further toward town it curves back to line up with the broad street that runs the entire length of town to the west. This change after the first survey was made brings the highway two blocks closer to the business section. The Herald would be glad to tell just which way this state road will go west or north out of town, but as yet, probably no one can do that.

Neinda went to Dovie, Tuesday afternoon and played them in basket ball. The Senior boys game was a schedule game, but the girls and Junior boys played practice games.

The Neinda Senior boys score was 44 to 7 in favor of Neinda.

The game between the girls was rather interesting, the score being 11 to 6 in Neinda's favor.

The Junior boys won their game, 22 to 0.

There is to be a Box Supper at Neinda, on Friday night, Jan. 29th. Cakes are to be provided, one for the most popular young lady, and one for the ugliest man. We expect to have a number of complimentary boxes from the surrounding towns.

Everybody come, and bring your boxes and your pocket books. Proceeds to be used for the benefit of the school.—B. T. Beaver, Principal

TWENTY YEARS AGO
(January 26, 1951)

Ground breaking Wednesday marked the start of construction on a new Missionary Baptist Church on the former Bynum property on North Central Avenue. The site of the new construction is just north of the Carl Murrell home and fronting across of the Jack Hames home.

The new project is a subsidiary undertaking of the First Baptist Church and the lots purchased for the site were bought at a \$1,000 price. Cost of the completed structure is expected to amount to \$15,000.

The committee which arranged for the purchase of the property was composed of Horace Brown, Mr. and Mrs. W. L. Boyd, Clyde Angel, Ira Clements and Mrs. Joe Simpson.

Persons active in the program have expressed the hope that the new structure will be ready for occupancy by February 10 and a suitable

ceremony will doubtless be arranged with that date in mind.

After completion of the work of construction, visiting preachers will fill the pulpit for a time until a suitable man is selected.

The committee named above was assisted in their choice of property by Rev. A. R. Posey of the First Baptist Church.

Many sites were selected before the final choice was made.

Howard Food Market Wednesday added a new grey Chevrolet panel truck for their free delivery service.

Upon the need for parts for the Jeep station wagon added recently and the unobtainability of same the Chevrolet truck was purchased.

Hamlin's new Mexican Mission built and opened October 4, 1950, has a new pastor now. He is Rev. Victor Ortiz, a student at Hardin-Simmons University, Abilene.

TEN YEARS AGO
(January 26, 1961)

Moderate temperatures which accompanied rain early Tuesday morning dropped rapidly before noon turning the rain to sleet which continued throughout most of the day and into the night. Wednesday morning the ground was covered with ice, sleet and some snow. The low recorded at City Pump Station was 13 degrees with thermometers in other areas showing 12 degrees Wednesday morning.

Moisture readings at the pump station reveal a total of one inch. with .24 Tuesday morning, .74 during the day Tuesday and .02 from 5:00 p.m. Tuesday until 8:00 a.m. on Wednesday.

Although hazardous conditions prevailed Tuesday and Wednesday there were no traffic accidents reported to the local police department.

Police Chief J. L. McCurdy complimented drivers Wednesday morning as he noticed each one driving with extreme caution.

The number of wrecks so far this month have doubled the monthly average according to police records. There have been 13 wrecks to date and the usual number has been from five to six.

Students of the Hamlin Junior High School elected class favorites Tuesday morning.

The eighth grade elected Delia Nichols, daughter of Mr. and Mrs. Raymond Nichols and Joe Martin, son of Mr. and Mrs. J. B. Martin.

Cynthia Anne Stephens, daughter of Mr. and Mrs. H. D. Stephens and Danny Joe Warren, won of Mr. and Mrs. J. L. Warren, were elected in the seventh grade.

Chosen from the sixth grade were Margaret Ann Johnson, daughter of Mr. and Mrs. W. T. Johnson and Bobby Moore, son of Mr. and Mrs. Fred B. Moore Jr.

Philosopher Comes Out With An Outrageous
Plan to Allow Americans to Keep Eating

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One must be kidding this week, but it's sometimes hard to tell who.

Dear editor:
For a long time now I've been noticing in all the newspapers that turn up out here on this Johnson grass farm one article after another reporting that this brand of breakfast food or that brand of fish or such-and-such a soft drink has been analyzed by government chemists and ought to be discontinued.

Either they don't have enough nutrition, or they have too much mercury or they're hard on rats, the chemists report, which unfortunately are all sound reasons.

Moreover, just yesterday I read that the head of the U. S. Food and Drug Administration reported that his chemists, after a two-year study and analysis, have found that only about one out of five drugs totally lived up to their advertised effectiveness to relieve symptoms or cure diseases.

Also, as you know, there's a move on to ban scores of pesticides used by farmers, as chemists have found traces of the stuff in fish caught a hundred miles out to sea.

In fact, if the chemists keep on analyzing and banning things, before long there won't be anything left to eat.

Clearly, the only solution to this problem is to ban chemists.

Such a solution reminds me of a farmer I know whose wife, swept up by the times, decided to have their water well tested.

"Whatta you want to test it for?" he complained. "Nothing wrong with it. We've been drinking out of that well for 25 years, raised our kid and half the neighbor's kids on it, and everybody appears in good health."

"Makes no difference," she said, "I want it tested."

He took a sample and sent it to the health department laboratory and a few days later the report came back: "Contaminated. Un-fit for human consumption."

"That sure taught me a lesson," he said as he turned

on a faucet and took a long drink of water, "I'll never have that well tested again."
Yours faithfully,
J. A.

Vicki Newland Is
Teaching In Valley

Vicki Newland, recent graduate of McMurry College, is teaching in the sixth grade at Sam Houston School in McAllen. She assumed her duties Monday.

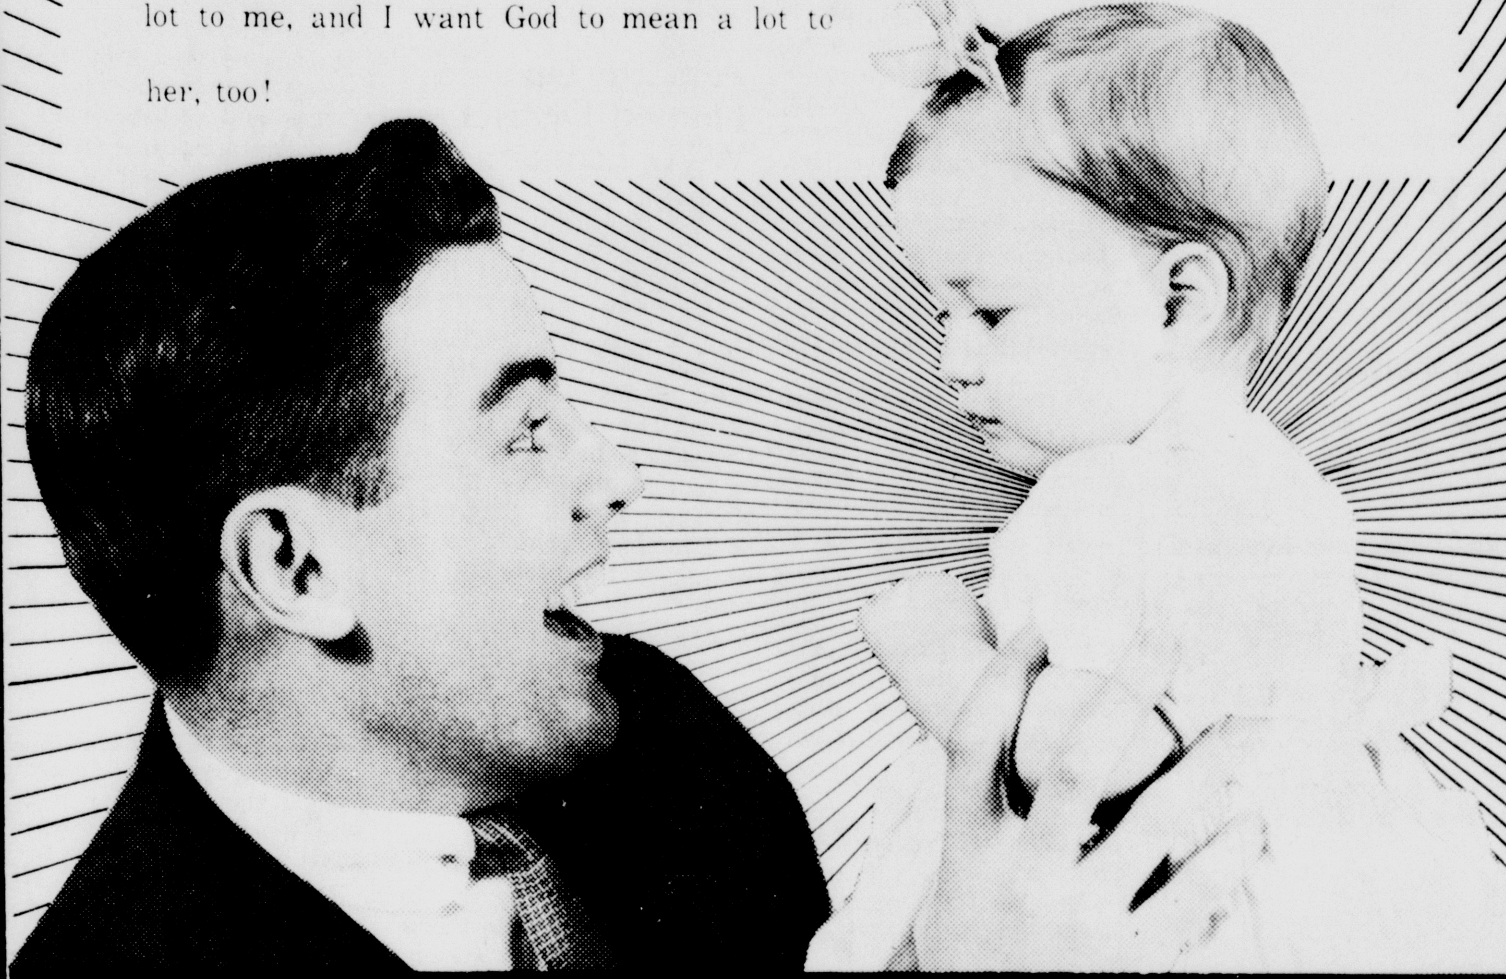

Her parents, Mr. and Mrs. Bo Newland, accompanied her to McAllen Thursday and returned home Sunday.

Also making the trip with the Newlands was Mrs. B. O. Bell who visited with her son and family, Mr. and Mrs. Doyle Bell and Shauna.

We have PASTELS and VELLOUR PAPER IN COLORS at the HERALD.

PRIDE AND JOY!

Proud Father...you bet...this is my child...she's sweet, trusting, lovely and brings great joy to my life. I work harder in order to better my income so that I can provide for her. She thrills me, and already I am making plans for her future. Right now we are all dressed up and getting ready to go to church. I love her, and I want the best for her. I want her to know early about God, and that he means a lot to me, and I want God to mean a lot to her, too!

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

AUSTIN, — Gov. Preston Smith told Texas lawmakers they can balance a \$6.8 billion budget without new taxes — by deficit finance, bond issues and federal assumption of welfare costs.

While legislators liked to hear that they can escape a tax bill, many found the Governor's approach contingent on too many "ifs." Voter approval of bond issues, they noted, is highly uncertain and congressional assumption of welfare is doubtful.

Here, in brief, is what the Governor proposed.

Financing of welfare programs for only 10 months in anticipation that Congress will take over full funding by then.

A maximum \$450 million "public free school bond" issue, to be retired from school land income now going by constitutional decree into the untouchable permanent school fund. A constitutional amendment would be required to create both the fund and pay-off plan.

Temporary deficit financing of a \$70 million emergency aid-to-welfare appropriation — which would require a four-fifths vote of the Legislature.

A \$71 million revenue bond program (secured with tuition income) to build new colleges, medical and dental schools authorized in 1969.

He also proposed three more constitutional amendments:

Removal of the \$80 million a year welfare ceiling.

Raising or removing the water development bond interest lid.

Creation of a \$100 million fund for state aid on waste treatment facilities.

Smith pledged an all-out effort to encourage a federal take-over of welfare financing. If lawmakers don't like his ideas, said the Governor, they should "bring me a plan."

COMMITTEES NAMED — House Speaker Gus Mutscher named his committees late last week, signaling the start of actual bill introduction and processing in the lower house.

As expected, he picked veteran Rep. W. S. (Bill) Heatly of Paducah for another session as chairman of the budget-writing appropriations committee which promptly launched hearings of spending requests.

To the hot-spot revenue and tax committee chairmanship, he again appointed

Rep. Ben Atwell of Dallas.

But Mutscher estimated he ordered 74 percent turnover in all chairmanships.

Rep. Rayford Price of Palestine was bumped from the hard-working state affairs panel chair, and Rep. James Slider of Naples got that job.

Rep. Delwin Jones of Lubbock got Mutscher's assignment to chair the congressional and legislative districts committee which must reapportion boundaries on the basis of the new census. Jones estimates a loss of 10 or 12 rural House seats.

Rep. DeWitt Hale of Corpus Christi kept the judiciary committee chair, and Rep. John Traeger of Seguin retained the constitutional committee gavel. New rules committee chairman is Rep. James Nugent of Kerrville.

Rep. Dick McKissack of Dallas, who sponsored the liquor-drink constitutional amendment, will head Mutscher's liquor regulations committee.

Rep. Frank Calhoun of Abilene is chairman of the criminal jurisprudence panel.

WELFARE MEASURE ADVANCES — First major measure to clear senate committee was a proposed constitutional amendment by Sen. Charles Wilson of Lufkin to remove the \$80 million state welfare ceiling.

Governor Smith said the current rate of expenditures would bring the state up against an \$80 million lid by

June 1, and drastic cuts in aid to families with dependent children would be required. Welfare Commissioner Burton G. Hackney estimated AFDC average payments of \$113.60 a month would be slashed to \$90 May 1 if the ceiling is not raised.

Sponsors of the amendment hope to get it to a vote by early May along with other proposals in the Governor's constitutional change package.

AID FOR PRIVATE COLLEGES — Coordinating Board Texas College and University System endorsed state aid to hard-pressed private colleges.

Board backed tuition equalization grants to needy students and state contracts with private institutions for educational degree purposes. Bills to accomplish both purposes have been introduced.

Estimated cost to the state is about \$28 million.

Board turned down a proposal that the state should assume full cost of community junior colleges.

ALLOWABLE DOWN — Railroad Commission set the February oil allowable to permit a maximum of 3,852,821 barrels a day production, reducing the flow from 83.1 per cent in January to 82.1 per cent.

Actually, production is not expected to exceed 3,411,000 barrels daily. Buyers nominated for 3,410,979.

Commission heard testimony

on high inventories of Texas crude. Only one of 14 major oil company buyers — Mobil — changed purchase plans from January.

DEMOCRATS BACK ELECTION CHANGES — State Democratic Executive Committee endorsed a sweeping election law revision, including Tuesday primary dates and allowing 18-year-olds to participate in national party convention delegate selection.

Party leaders recommended complete revision of voter registration laws but came up with no specifics. They also proposed changes in convention procedures to conform with national party rules.

Legislation is pending in the senate to repeal the annual voter registration requirement and to move dates of primaries from May and June to August and September. Constitutional amendment to permit 18-year-olds to vote in all elections also is pending.

SHORT SNORTS

Legislation urged by the Governor to require immunization of school children has been introduced.

Insurance Board will hold a hearing on February 18 here on revision in fire, wind-storm and extended coverage rates and rules for writing fire and allied lines of insurance.

Senate passed a bill exempting from sales tax in-

come from "late, late" movies leased to tv stations.

Governor named Michael P. Metcalf of Dumas 69th district attorney.

Once a slot machine, always a slot machine, said Attorney General Martin in an opinion, holding that such a device still is forbidden even if altered to put out

souvenir type coins.

Texas Water Rights Commission adjourned hearing until Feb. 2 on Chambers, Jefferson, Liberty and Galveston counties farmer's protest at cost of irrigation water.

Adding machine paper — at the HERALD.

HELLO

I AM WILLIAM JACKSON JR., OWNER OF
JACKSON'S BODY SHOP
ON ALBANY HIGHWAY IN ANSON

I was thinking that in today's world of low values, high prices and shrinking dollars--it is very easy to receive less than one really expects. For instance

IF you have not received a letter asking that you return your car for a re-inspection after your work has been done--you may be getting less than what is routine at JACKSON'S.

IF you can not wait in a well appointed waiting room while your car is being worked on as a matter of standard facilities, you are receiving less than you pay for.

IF you've ever been given 'that is not in my department' routine, you are getting less than standard procedures at JACKSON'S

And whatever you are getting, your most expensive possession is getting it. And you may be paying more to get it.

Try JACKSON'S BODY SHOP. It has been referred to as a refreshing experience. Call collect

NEWS FROM

Old Glory

By Bernice D. White

The Old Glory student body and visitors enjoyed two interesting assembly programs last week.

On Wednesday afternoon, Patrolman Bobby Stone of Aspermont showed a film and gave a talk on Drug Abuse. He brought a display of various types of drugs. As an extra attraction, he afterward gave the high school boys a "tour" of his car and demonstrated the radar. He was introduced by Dewey Dudensing.

Another entertaining speaker was Mr. Spencer Guimarin, Director of Texas Health Careers Program, who spoke in assembly Thursday morning. From his first job through his final rendition of "Ah Caint Git Off Mah Hourse" he held the attention of his audience. He spoke seriously about vocational choices.

Mr. Guimarin was introduced by Steve Letz.

The Old Glory 4-H Club met on the afternoon of Jan. 14 in the school study hall. The Motto and Prayer were led by Marcene Baldree. Sherry Rhoads served refreshments.

The business concerned the activities of the 4-H members in connection with the 4-H Carnival held Jan. 23 at the Aspermont School, where Old Glory members were in charge of the pie walk and the country store. O. G. members were asked to bring Gold Bond stamps, two pies, and items for the country store, also one package of weiners for the food concession. All money from the carnival will go to the County 4-H Fund for expenses.

Members were also reminded that the Stonewall County Fat Stock Show will be held next month at Aspermont.

Lynette Meier — Reporter Dewey Dudensing and Eustaquio Castro have entered the 1971 REA Oratorical Contest. They will be judged by outside judges Feb. 2; then the winner of the local tryout will participate in the speaking contest at Stamford Mar. 2. The subject to be used is "This I Believe." Stamford REA will send the boy and girl winner on a Youth Tour of Washington in June — a 12 day all-expense paid trip.

Old Glory has had two winners in the past years — Rebecca Letz in 1968 and Russell Letz in 1970.

Mrs. Nora Offill accompanied Mr. and Mrs. Robert Thane of Stamford to Amarillo last weekend where she visited in the home of her son and family, the Floyd Offills.

Mr. and Mrs. H. L. Boles, Rickey and Cynthia spent last weekend in Lewisville where they visited their daughter Mrs. Francell Howerton and also their son and family, Mr. and Mrs. Donald Boles and children.

Mr. and Mrs. Billy Lackey and children of San Antonio and Mr. and Mrs. James Russell Newman of Monahans were here last weekend visiting with Mrs. J. F. Newman.

Mrs. H. E. Carr has returned home after spending several weeks in Abilene and Hawley with her granddaughters and their families, the J. R. Alexanders and the Bill Iveys. We welcome Mrs. North from Peacock to our community, who is here staying with Mrs. Carr.

Mr. and Mrs. Morris James of Richardson were here last weekend visiting the Morris Garners, A. R. Sawyers and other relatives.

Mr. and Mrs. Marvin Letz of Haskell were here Sunday visiting his parents Mr. and Mrs. Herman Letz and attended church here Sunday morning.

Mr. and Mrs. Bill Wright

BIDS, LEGAL, AUCTION

NOTICE OF BIDS
Bids on a 1951 Ford Pickup will be opened Feb. 8 by Hamlin Independent School District. Vehicle may be seen at the school bus barn. Bids must be submitted to Hamlin School.

Federal Land Bank Lowers Interest On Variable Loans

Joe Harper, Manager of the Federal Land Bank Association of Haskell, received word today that The Federal Land Bank of Houston has reduced the interest billing rate on variable rate loans to 8%. "This reduction affects more than 90 million dollars of variable rate loans to more than 2800 farmers and ranchers throughout Texas," Harper stated.

The variable rate loan plan which was introduced by the Houston Bank in July lets the interest rate "float" over the variations in the money market. In large measure, therefore, the rate in any specific year will reflect the changes in prices which the Bank must pay for the money it makes available for farm mortgage loans. Mr. Harper pointed out that this action is in line with the Bank's policy in providing farmers and ranchers credit at the lowest possible cost consistent with sound business practices.

Classified deadline is 8:30 a. m. Wednesday.

James Kincaid On Tech Honor List

LUBBOCK — James G. Kincaid, son of Mr. and Mrs. G. W. Kincaid of Hamlin was among the more than 250 Texas Tech University students in the College of Agricultural Sciences to be named to the Dean's Honor List for the fall semester.

He is a senior and is majoring in Park Administration. To qualify for the Dean's List a student must have a grade point average of 3.0 or more and must be taking as many as 12 hours of work.

No School Monday

There will be no school Monday, Feb. 1, in the Hamlin School system as the local teachers will be attending a workshop in Rule on that date, according to Supt. C. F. Cook. This is one of five days during the school year set aside for such workshops.

Hamlin High Happenings

Piper Patter

Toni Casey
Tony Lewis
Shelley Holtz

The Pipers will play Stamford here tomorrow night. The Pipers still have a chance for district after their win over Haskell last Friday. Everyone come and support your team!!!!

HHS

The National Honor Society met last week to select Citizens of the Month for January. They are Kenneth King and Diane Ford, both Freshmen. The members of the N. H. S. also talked about a patriotic assembly which will be presented later in the year.

HHS

Twenty-two boys received Varsity Football jackets and letters during an assembly last Wednesday at H. H. S. Coach Wright presented the

jackets and letters to the boys.

HHS

The Student Council has been busy this year. The members sponsored the annual Teacher Appreciation Banquet which was held in the High School Cafeteria last Thursday night. Student Council members have also been discussing the basketball tournament in which all persons who do not play on a high school team will be able to participate. This tournament will be held during the last of February. Members of the Student Council have also decided that Shelley Holtz, Jeanie Ferguson, Latrese Williams, Rodney Rackley, Oscar Guerra, and Bryce Fowler will go to the State Student Council Convention in Austin which will be held sometime during April.

HHS

The Hardin-Simmons Stageband Festival has been called off. The stageband will still travel to Brownwood for the festival to be held there at the end of February.

HHS

The Future Homemakers of America met to discuss the trip to Stephenville in the spring. At Stephenville, some of the girls will try out for the choral group or for an area office. The FHA is also planning a fashion show to be given to the student body.

Mr. and Mrs. Marion Wayne Reed of McCaulley are parents of a boy, Bradley Wayne, born Jan. 23 at 1:22 a.m. He weighed 7 lbs. 15 oz.

Mr. and Mrs. Kenneth Dale Pittman are parents of a boy, Lester Dale, born Jan. 23 at 4:10 p.m. He weighed 10 lbs. 8 3/4 oz.

Mr. and Mrs. David Rodriguez of Snyder are parents of a girl, Caroline, born Jan. 26 at 11:29 a.m. She weighed 7 lbs. 3 oz.

Junior High

Honor Roll

Eighteen students in the three grades of Hamlin Junior High School maintained grades of "A" in all subjects during the third six weeks period, according to the list compiled by Principal Marvin Carlton.

The sixth and seventh grade classes each had seven students earning all A's in classroom work. In the eighth grade four students maintained this grade.

The Honor Roll follows:

EIGHTH GRADE

All A — Randy Elmore, Debra St. Clair, Ray Sonnenburg and Cheryl Lewis.

A Average — Peggy Farnsworth, Randy Crouch, Blain Lewis, Cynthia McMillan.

B Average — Tommy Hartley.

SEVENTH GRADE

All A — Gary Ford, Tamie Harris, Debra Hollis, Debra Jay, Rick Craig, Gerald Rodgers, Melissa Madden.

A Average — Debbie Cary, Sherrie Carter, Diane Johnston.

B Average — Elaine Carlton, Larry Griffin, Lori Driver, Jeff Cary, Patrice Moore and David Pool.

SIXTH GRADE

All A — Jan Ford, Cheryl Baker, Cindy White, Suellen Waggoner, Sue Sellers, Denise Haught and Elise Kelley.

A Average — Rhonda Hart, Kayla Mehaffey, Donna Wasson, Lisa Howard, Diane Fleming, Billy Goodgame, Paul Reynolds, Norma Gann, Melinda Johnson.

B Average — Tonya Covington, Tommie Ann Mayes, Jeffrey Witt, Tracy Gregory, Barbara Hooper and Treva Jo Pettit.

Lions Club Seeks Applicants for Summer Camp

"Do you know a handicapped child who would like to spend two wonderful weeks at summer camp . . . free?" asks John Steele, Hamlin Lions Club chairman of camp applications.

Mr. Steele is taking applications now for campers to spend two weeks this summer at the Texas Lions Club for Crippled Children at Kerrville.

It is free and transportation is handled by the local Lions Club, he said.

Anyone with information concerning a prospective camper should call Mr. Steele at 576-3232 or 576-3372.

Pictures used in the Hamlin Herald may be picked up by the owner within two weeks after publication. Classified deadline is 8:30 a.m. Wednesday.

Sometimes crappie can be the easiest of all fish to catch. And sometimes the most difficult!

They are easy to catch only because they roam in schools. Once you pinpoint a concentration of crappies you can anchor at the spot and quite often fill a stringer with these tasties.

Finding the schools is, of course, your problem. And, unless you are fishing where the fish are you aren't likely to catch any.

Schools of crappies are scattered and unless a person is fortunate enough to be at a spot where they gather, he will find that catching one is next to impossible.

Crappies prefer to linger around some underwater obstruction; a sunken tree, a large boulder, or a clump of brush.

Some fishermen create their own crappie-fishing hotspots by cutting brush (cedar is good), tying it together and anchoring it in deep water. The depth where you'll find crappie varies from lake to lake, but in our large reservoirs you'll usually locate them in about 10 to 30 feet of water.

In the spring they'll move along the shoreline to spawn. Then you can catch dozens of them in the shallows. But most of the time they'll be near the bottom in deep water.

Here are some suggestions offered by accomplished crappie fishermen:

When crappies are in a cooperative mood, they'll usually bite in a hurry. Never spend more than 15 or 20 minutes in one spot. Drop your live minnow right to the bottom, then take a couple of turns on the reel handle.

Leave the bait here for about five minutes, and if you haven't had a nibble, take a couple more turns on the reel handle. Every five minutes come up a few more feet. This way

you'll be prospecting each layer of water from the bottom to near the top. Move frequently, trying different spots, around underwater obstructions.

You'll likely find a school of fish sometime during the day if they are biting at all.

A helpful aid is a commercial crappie rig, available at most sporting goods stores. This rig has a pair of twisted-wire "arms" which extend out from the main line. Snelled hooks are tied on these extensions which hold the wiggling live minnows away from the line, preventing twisting. Many anglers prefer to hook a minnow through both lips, rather than behind the dorsal fin. Since a crappie tries to swallow a minnow head-first it is more susceptible to becoming hooked this way.

Two common mistakes that most fishermen make when fishing for crappies are using a hook and a minnow that are too large. A No. 3 fine-wire hook is about right, the minnow should be no more than two inches in length. A crappie has a small mouth.

A successful crappie fisherman has a sensitive "feel". A crappie can carve a minnow off a hook with almost indiscernible action.

These tricky little critters actually can come up from below, raise the minnow and neatly take it off the hook without the angler realizing he's had a bite. So, watch your line closely. Should it start moving off at a tangent, even slightly, raise your rod tip smartly. It might be the current that's moving the minnow. But it could be a bait-stealing crappie. Successful crappie fishermen never take anything for granted. They set the hook at every inkling of a nibble.

Clean Water Laws

One-and-a-half centuries ago, the poet Byron wrote:

"Till taught by pain, men really know not what good water's worth."

Today, taught by the pain of pollution in a thousand lakes and streams, we are becoming acutely aware of what good water's worth. Clean water laws are being enacted with new urgency and enforced with new vigor.

Yet, serious objections may be raised by those who are affected adversely. How do the courts look upon such objections?

To begin with, there are indeed limits as to how far the government can go in fighting pollution. Take this case:

A state water commission tried to halt the discharge of sewage into a certain river. But the sewage was being discharged so far from the nearest community, under such carefully controlled conditions, that the chance of any harm to public health was almost nil.

Under these circumstances, a court ruled that the water commission was overstepping its authority. The court felt that even in the name of clean water, there has to be some reasonable basis for government action.

Nevertheless, the vast majority of clean water laws have been upheld, even when they impose real hardship on a particular city, a particular industry, or a particular individual.

Consider the case of a factory

owner who had been discharging raw pollutants into a local brook. When a new law banned this practice, he took the matter to court.

"I don't challenge the law itself," he said. "But the fact is that because of the ban, my factory is suddenly worth about \$100,000 less than it was before. Why shouldn't the government reimburse me for that loss? Otherwise, this is taking private property without compensation, which is unconstitutional."

However, the court denied his claim, saying this was not a "taking" in the constitutional sense.

"The design is not to take

When you promised to share and share alike, did that mean your wife could use up all the hot water?

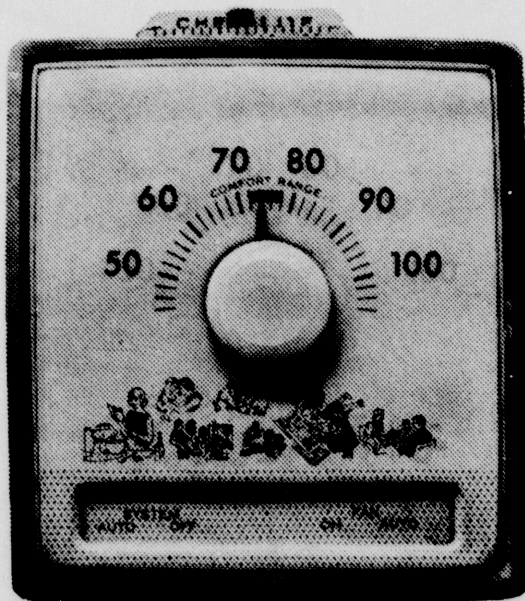

You could get up earlier. Then you'd be sure to beat her to it. Of course she wouldn't be too impressed with your chivalry.

Another alternative is a larger gas water heater. Gas water heaters are easy to buy, easy to install, and recover hot water up to twice as fast as comparable electric models.

So stop competing with your better half. Get a larger capacity hot water heater. For fewer fights and lots more hot water.

a nice place to live

Electric Heat is the clean and modern way to heat your home. No smoke, no fumes, no soot. Automatic controls allow you to set the dial for year round comfort and makes your home more comfortable, more luxurious, more livable for all the family. Best news of all, with the low-cost electricity provided by the Midwest Electric Cooperative, electric heating is so economical. If you are planning to build, remodel or up-date your home, plan on electric heat. The power use experts at the Midwest Electric Cooperative will be happy to help.
